Dont Shoot:

Don't Shoot David M. Kennedy,2011-10-04 Profiled in the New Yorker and featured on 60 Minutes the story of David Kennedy s crusade to combat America s plague of gang and drug related violence with methods that have been astonishingly effective across the country *"Don't Shoot, G-Men!"* Michael Newton,2021-10-07 Between 1933 and 1939 the FBI pursued an aggressive highly publicized nationwide campaign against a succession of Depression era public enemies including John Dillinger George Baby Face Nelson Charles Arthur Pretty Boy Floyd George Machine Gun Kelly Barnes Bonnie Parker and Clyde Barrow and the Ma Barker Gang Bureau Director J Edgar Hoover s successes in this crusade made him the hero of law and order in the public mind This historical analysis reveals the agency s often illegal tactics including torture frame ups and summary executions later expanded throughout Hoover s 48 year reign in Washington D C and exposed only after his death some say murder in 1972 [Don't Shoot](#) Robert Zacks,2016-01-31 This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced affordable price in an attractive volume so that everyone can enjoy them [Daddy, Tell Them We Don't Shoot Bambi](#) Ollie T. Moye,2005-03-07 Daddy Tell Them We Dont Shoot Bambispins a true account of what one man did to introduce his sons to the basics of hunting and firearms safety resulting in major quality time during their formative years More important than tips on getting started the author underscores strengthening father son relationship The authors closeness to nature is accented as he enthusiastically paints an accurate portrait of the average hunter Included also are the agonies and disappointments of the hunt often swept aside by the hunter as well as some laugh out loud stuff hunters encounter The author offers a 53 year writing background with many published credits including hunting as well as tenure as editor of regional newspapers He is past president of the South Carolina Press Association [Don't Shoot the Gentile](#) James C. Work,2011-11-03 When James Work took a teaching job at the College of Southern Utah in the mid 1960s he knew little about teaching and even less about the customs of his Mormon neighbors For starters he did not know he was a Gentile the Mormon term for anyone not a member of the Church of Jesus Christ of Latter day Saints But just as he learned to be a religious diplomat and a black market bourbon runner he also discovered that his master s degree in literature apparently qualified him to teach journalism photography creative writing advanced essay and feature article writing freshman composition and vocabulary building With deadpan humor Work pokes fun at his own na vet in Don t Shoot the Gentile a memoir of his rookie years teaching at a small college in a small mostly Mormon town From the first pages Work tells how he navigated the sometimes tricky process of being an outsider pulling readers no matter their religious affiliation into his universal fish out of water tale The title is drawn from a hunting trip Work made with fellow faculty members all Mormons When a load of buckshot whizzed over his head one of the party hollered Don t shoot the Gentile We ll have to hire another one Today the College of Southern Utah is a university and Cedar City like most small towns in the West is no longer so culturally isolated James Work left in 1967 to pursue a doctorate but his

remembrances of the place and its people will do more than make readers Mormon and non Mormon alike laugh out loud Work s memoir will resonate with anyone who remembers the challenges and small triumphs of a first job in a new strange place
