Door To Satisfaction:

The Door to Satisfaction Thubten Zopa, 2014-05-01 In Door to Satisfaction Lama Zopa Rinpoche reveals a text he discovered in a cave in the Himalayas that captures the essential point of Buddhist training Rinpoche says Only when I read this text did I come to know what the practice of Dharma really means Without proper motivation it does not matter what we do Whether reciting prayers meditating or enduring great hardships if our actions are devoid of good intention they will not become Dharma practice Proper motivation transcends our ordinary ephemeral desires and ultimately seeks the happiness of all living beings In your life says Rinpoche there is nothing to do other than to work for others to cherish others There is nothing more important in your life than this This powerful simple message applies to Buddhists and non Buddhists alike we all have the power to unlock our greatest potential Open this book and open the door to a timeless path leading to wisdom and joy

Transforming Problems Into Happiness Thubten Zopa, Rinpoche Thubten Zopa, 2001-06 The author of Wisdom Energy brings contemporary relevance to timeless teaching on Buddhist psychology and everyday spiritual living Commenting on a 19th century Tibetan text Lama Zopa inspires readers to be happy by transforming their attitude and radically changing their approach to life s inevitable problems
