Double Minded Man:

The Instability of a Double Minded Man. [A Sermon on Jas. I. 8]. John Mason, 1762 *The Impossible Way: The Way, The Truth & The Life (The Complete Trilogy)* Marcus A. Allen, 2020-03-23 The words of this book are based upon Christ's declaration I am the way the truth and the life St John 14:6 This Holy Ghost inspired book will have every reader reexamining their faith in Christ their walk in God and even the way they currently display God's Agape love in this world I am come unto you as a friend and truly I write unto you in much fear and trembling in the Holy Ghost I come not in mine own name but in the name of him who has sent me to testify unto the truth and in him is no lie even he which is Jesus Christ our Lord Now there is utterly a fault in the church from the least to the greatest those who preach haven't been sent to preach and those who teach have not the anointing and those who prophesy unto you have prophesied a lie because they have altogether deceived the people and because of your carrying away you shall be one with their damnation While reading this book you shall learn the truth of your God and Creator and of his Son Jesus Christ You shall learn how to identify the voice of God in your hearing and how he speaks to you You will learn how and why the Lord God is so attached to man and why he loves man so much You will learn why you must be born again moreover you will discover what it is you need to do what's your part in the kingdom of God to truly be a light to others in this world You will discover the reason why both faith and love are the keys to life in the kingdom of God and the role they play in salvation You will learn how to properly utilize and deploy your faith in a powerful new way And even though you might know the basics of faith today you will learn why its works have been a great mystery to the church Today we will unlock this mystery together and you will find that you now not only can please God but that you will also learn how easy it is for you to do his will and overcome all things by faith You will also learn who your heavenly Father really is as you come to realize that he has been waiting a long time to meet you Above all else you will learn the reasons why the miracles spoken of in St Mark 16:16-18 are not occurring in the church today and why the ministers and preachers of our day have not been bringing forth the word with signs following as had the apostles You will be taught many things that you may have never been taught in the church or have been taught improperly such as the Constancy the Fidelity and the Faithfulness of God in the reality of himself You will learn not only what these words mean but you will learn how to apply them to your life as you grow in Christ Little children I am only asking of you is to listen to his voice today This book is a book of instructions given in hopes of making YOU ALL true Disciples of Christ My one and only prayer for you all is that you don't miss out on the opportunity to learn the truth about your heavenly Father so that you do not go The Impossible Way

For we are God s fellow workers you are God s field God s building By the grace God has given me I laid a foundation as an expert builder and someone else is building on it But each one should be careful how he builds 1 Corinthians 3 9 10 When someone starts to build a house he first lays the foundation on which the rest of the house will be built If the foundation is not built correctly the rest of the building will be compromised affecting not only its immediate use but also its longevity The previous scripture states that the church must also lay a good foundation in new believers The Bible contains specific teachings that form the foundation of the Christian faith To overlook even one of these teachings will affect how we perceive the rest of the Christian faith An obvious example is to teach judgment without mercy a teaching which causes the church to be legalistic However to teach mercy without judgment causes the church to give license to sin Both teachings are essential for the one teaching balances the other When a person accepts Jesus as his Savior and Lord most churches place the person in their ongoing programs with the hope that he will grow However a new believer does not share the foundational truths that mature Christians have The minister may make statements which out of context will appear harsh but are not harsh when placed in the context of other accepted teachings For this reason the church must give new believers a foundation which will allow for a balance in regard to the teachings to which they will be exposed Basic Discipleship 101 is written to give new born believers the foundation on which they can build their Christian faith In this collection of studies we will examine what it means to become a Christian identify the principle players in salvation and examine the elementary truths on which the sermons they will be exposed to will be built upon Welcome to Basic Discipleship 101 *The Epistle of St. James* D.
