

DOUBLE STANDARDS

DEFINITION

Double standards refer to the unjust application of different sets of principles for similar situations. It's when one group is allowed more leniency or privilege, while another group is judged more harshly for the same behavior. This unequal treatment often arises from biases and can lead to unfair judgments and discrimination.

EXAMPLES

- **Sons vs Daughters:** A father who allows his 16 year old son to stay out until midnight but doesn't let his daughter go out past 10pm.
- **Elites Get Away with It:** A politician who conscripts men to go to war, but makes exceptions for his own sons so they don't have to go.
