Double Takes:

Double Take Catherine Coulter, 2007 Murder mystery and breathtaking suspense in the roller coaster ride of the year

Double Takes Carolyn A. Durham, 1998 Viewing cross cultural differences through the lens of cinema **Double-Takes**

David R. Jarraway, 2013-05-25 Over the past forty years Canadian literature has found its way to the silver screen with increasing regularity Beginning with the adaptation of Margaret Laurence's *A Jest of God* to the Hollywood film *Rachel Rachel* in 1966 Canadian writing would appear to have found a doubly successful life for itself at the movies from the critically acclaimed *Kamouraska* and *The Apprenticeship of Duddy Kravitz* in the 1970s through to the award winning *Love and Human Remains* and *The English Patient* in the 1990s With the more recent notoriety surrounding the Oscar nominated *Away from Her* and the screen appearances of *The Stone Angel* and *Fugitive Pieces* this seems like an appropriate time for a collection of essays to reflect on the intersection between literary publication in Canada and its various screen

transformations This volume discusses and debates several double edged issues the extent to which the literary artefact extends its artfulness to the film artefact the degree to which literary communities stand to gain or lose in contact with film communities and perhaps most of all the measure by which a viable relation between fiction and film can be said to exist in Canada and where that double life precisely manifests itself if at all This book is published in English Double Take A.J. Rathbun, Jeremy Holt, 2010-02-17 Each recipe in *Double Take* produces two versions of the same dish one vegetarian and one containing meat Rathbun and Holt cook up tantalizing fare that provides a delicious solution to a modern dining dilemma

Double Take Roger Russell, 2012-01-26 Set at a school that gives lots of homework the children are growing up as all school children do The innocence of childhood is a precious thing and this school understands that Then a premeditated crime happens and the adults spring into action to deal with it So how can they deal with the corruption that led up to that moment How much evil will some people ignore before they're forced into action In any setting human nature remains the same Even with the bad ones that move among us *Romancing the Roads* Gerry Hempel Davis, 2012-01-16 This

compendium of facts observations discoveries reviews serendipities humor experiences and more is not only for the road traveler but the armchair traveler as well Unlike typical guides which read more like phone directories *Romancing the Roads* is a shared diary of discoveries along America's highways and byways Join Gerry on a tour of hotels B B's restaurants national parks antique stores consignment shops boutiques and little known places that make America such a great place for road tripping Unless otherwise noted the author has visited every place mentioned from the ostrich farm along Interstate 10 in Arizona to the Biltmore hotel in Los Angeles Even if you never get in the car and discover such wonders for yourself you will enjoy this vicarious journey to places both sublime and ordinary as the author makes her way from Washington to California and east to the Mississippi River A Guide to Contract Bridge - A Collection of Historical Books and Articles on

the Rules and Tactics of Contract Bridge Various, 2015-05-06 This book contains classic material dating back to the 1900s
