Morrell,2001-05-01 After a harrowing experience in Bosnia war photographer Mitch Coltrane makes a vow From now on he will only take those pictures that celebrate life that document hope instead of despair Still wartorn images continue to haunt him He learns to shield himself by fixating on a beautiful woman in an old photograph But slowly he grows obsessed Who is she He must know And as Coltrane searches for answers he falls hopelessly in love forgetting that the past can sometimes intrude on the present with terrifying consequences [The Double Image](#) Helen MacInnes,1968 **The Complete Four Just Men Series (6 Detective Thrillers in One Edition)** Edgar Wallace,2023-11-20 Edgar Wallace s The Complete Four Just Men Series compiles six electrifying detective thrillers that delve into themes of justice morality and societal corruption Wallace s narrative style is characterized by its brisk pacing engaging dialogue and intricate plotting which reflects the early 20th century literary movement that embraced sensationalism and crime fiction Through his skilled storytelling Wallace crafts a compelling dynamic between the enigmatic vigilantes and the societal decay around them all framed within the tension of a whodunit structure that keeps readers guessing until the final pages Edgar Wallace a prolific author and journalist was influenced by his own tumultuous experiences which included a stint as a war correspondent His exposure to the darker facets of human nature coupled with his fascination for justice is evident in the creation of the Four Just Men characters who operate outside the law for what they believe is a higher cause Wallace s background as a member of the British literary elite brought a rich understanding of crime and punishment that adds depth to his storytelling For readers who appreciate finely crafted mysteries that probe fundamental questions of ethics The Complete Four Just Men Series is a must read This collection not only showcases Wallace s mastery of the genre but also invites introspection on the nature of justice making it a compelling choice for both fans of classic detective fiction and contemporary crime literature In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work s strengths Reflection questions inspire deeper contemplation of the author s overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection s central themes **Plays and Players** ,1957 [World Premières](#) ,1955 **The Publishers Weekly** ,1905 **Black Literature and Literary Theory** Henry Louis Gates, Jr,2016-08-19 The imaginative literature of African and Afro American authors writing in Western languages has long been seen as standing

outside the Western literary canon In fact however black literature not only has a complex formal relation to that canon but tends to revise and reflect Western rhetorical strategies even more than it echoes black vernacular literary forms This book first published in 1984 is divided into two sections thus clarifying the nature of black literary theory on the one hand and the features of black literary practice on the other Rather than merely applying contemporary Western theory to black literature these critics instead challenge and redefine the theory in order to make fresh stimulating comments not only on black criticism and literature but also on the general state of criticism today

The Signifying Monkey Henry Louis Gates (Jr.),2014 A groundbreaking work of enduring influence The Signifying Monkey illuminates the relationship between the African and African American vernacular traditions and literature Examining the ancient poetry and myths found in African Latin American and Caribbean culture Henry Louis Gates Jr uncovers a unique system for interpretation and a powerful vernacular tradition that black slaves brought with them to the New World This superb twenty fifth anniversary edition features a new preface and introduction by Gates that reflect on the book s genesis and its continuing relevance for today s culture as well as a new afterword written by the noted critic W J T Mitchell Book Jacket

Figures in Black : Words, Signs, and the "Racial" Self Henry Louis Gates Jr. Chairman of the Department of Afro-American Studies and W.E.B. pluralistic notion of literature In doing so he provides critics with a powerful tool for the analysis of black art and more important reveals for all readers the brilliance and depth of the Afro American tradition **Library Journal** ,2000 *ITI World Premières* ,1956 **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1929
