Zimbolicious Anthology An Anthology of Zimbabwean Literature and Arts Volume 3 contains 5 short stories 51 poems 1 nonfiction piece and 3 drawings from Zimbabwean writers and artists Zimbabwe continues to tumble on its unshakable political trajectory since Robert Mugabe was removed as president via a military coup Much of the writing in this anthology addresses both the current political situation and the hope of the Zimbabweans for a free and fair election in 2018 Within the pieces a lot of questions anger mistrust remain alongside uncertainties around the enigmatic political landscape of Zimbabwe and the Zimbabwean people Despite this the writers have a lot to celebrate and also touch on issues to do with love morality spirituality tradition relationships family identity individuality and joy *A Double Barrelled Detective Story* Mark Twain,1902 Mark Twain is at his irreverent best with this hilarious parody of the 19th century mystery two seemingly unrelated narratives are spliced together the author interjects himself as a character and Twain even provides literary criticism of himself midway in the text A Double Barreled Detective Story is a delightful spoof of the mystery genre then in its infancy introducing the reader to Sherlock Holmes as he has never been seen before or since Far from his usual elegant London haunts the great detective is caught up in a melodramatic murder mystery of love betrayal and vengeance in a rough California mining town and dealing with characters named Ferguson Wells Fargo Ham Sandwich and Fetlock Jones
