**Down Among the Dead Men** Simon R. Green, 2013-12-17 In a fort on the edge of civilization an ancient evil has awoken Ten years after the Demon War the wounds of the Forest Kingdom are finally beginning to heal Deep in the Darkwood on the border between two long feuding territories a fort has been erected to keep the peace But a month ago the soldiers inside stopped speaking to the outside world Have they come under attack or is something more sinister at work Led by the adventure hungry warrior Duncan MacNeil a party of Rangers is sent to investigate With a witch a swordsman and a powerful eight fingered woman at his side MacNeil steps into the deserted fort and discovers a massacre The gory scene suggests that the soldiers turned on one other but the witch has an alternate theory Beneath this newly built fort she senses an ancient evil a power older than the Kingdom itself about to trap them in the dark [Down Among the Dead Men](#) Dave Morris, Mark Smith, 1993

*Down Among the Dead Men* Michelle Williams, 2010-08-10 This deeply original and entertaining memoir pulls back the curtain on life at the morgue introducing a colorful cast of characters you won't soon forget Booklist Williams's reminiscence does more than delight in the creepy and the ghoulish it breathes life into the mortuary workers themselves The Brooklyn Rail Michelle Williams is young and attractive with close family ties a busy social life and an unusual occupation When she impulsively applies to be a mortuary technician and is offered the position she has no idea that her decision to accept will be one of the most momentous of her life What I didn't realize then she writes was that I was about to start one of the most amazing jobs you can do To Williams life in the mortuary is neither grim nor frightening She introduces readers to a host of unique characters pathologists many eccentric some utterly crazy undertakers and the man from the coroner's office who sings to her every morning No two days are alike and while Williams's sensitivity to the dead never wavers her tales from the crypt range from mischievous to downright shocking Readers won't forget the fitness fanatic who is run over while doing nighttime push ups on the road the man so large he had to be carted in via refrigerated truck or the guide dog who led his owner onto railway tracks and left him there The indomitable Williams never bats an eye even as she is confronted daily with situations that would leave the rest of us speechless
