

A serene sunset over a body of water. The sky is filled with soft, colorful clouds in shades of purple, pink, and orange. The water reflects the colors of the sky. In the foreground, a small, dark boat is visible, with its reflection on the water. The overall mood is peaceful and contemplative.

Absolute faith is not the place of self-affirmation, but the place of self-negation. Life of faith is not limited to our spiritual life. What is important is how our spiritual sensitivity is applied to our relative environment.

Daniel Boscaljon, 2013-10-10 In Vigilant Faith Passionate Agnosticism in a Secular World Daniel Boscaljon takes up the contemporary challenges to faith by skepticism and secularism He proposes a model of faith for believers and unbelievers alike a passionate agnosticism that is rooted in a skeptical consciousness Skepticism and faith are structurally similar he writes in that they share an unknowing quality The author argues that vigilance the act of keeping watch a spiritual practice in its own right is as necessary a precondition for the structure of faith as it is for the structure of skepticism A suspension in uncertainty and an openness to possibility require vigilance he attests if faith and skepticism are to avoid the often dogmatic tendencies of both theism and atheism to cling to their own brands of certainty and knowledge Boscaljon has three aims to expand the current post theistic definitions of God for greater relevance to human beings on an individual and existential level to integrate skepticism into faith so that it will restore the importance of faith to current theology and recover it from anti intellectual bias and to conceptualize the vigilance of faith in such a way that can provide a vocabulary for distinguishing good faith from bad faith He offers a variety of cultural examples ranging from film to poetry to represent a life of faith and to show how its components come together in practice As an alternative to the prevailing fundamentalisms in today's world his book proposes a paradigmatic understanding of faith in which theism atheism and agnosticism refuse to differ **Fifty**

Days of Faith - Refusing to Doubt, Overcoming Fear and Celebrating Breakthrough Frank Thompson, 2015-09-17 Fifty Days of Faith is designed to pull out all of the stops and use all of your spiritual energy to go hard for GOD Fifty consecutive days of using your faith is symbolic of the Jewish holiday called Jubilee where all of your debts were cancelled and everything lost was restored This book will also help to eradicate worry and correct the mistakes that keep you from receiving the manifestation of God's promises as you develop your faith in God *Absolute Faith in Jesus Christ* John S. O. Famodimu, 2011-03-18 ABOUT THE BOOK This book had to be written to clear up many myths about Christianity today The author's inspirational and scholarly approach to the state of religion both from a modern perspective as well as from an

historical outlook is timely The author closely documents the divine glory and guidance of the Bible He laid emphasis on both the letter and the spirit of the Holy Bible and opens for all readers some of the main themes of Biblical teaching while revealing and clarifying many of the ancient stories and truths Within the worldly context the author writes in detail the hidden power and supremacy of Jesus Christ above all other religious founders He was inspired to write by his observance that many people were no longer experiencing unchallengeable power that is vested in Christ and lead the reader to the source This volume is perhaps the doorway through which true believers may pass on their way to a richer more fulfilling religious life It will strengthen and enrich our faith ABOUT THE AUTHOR John s life is synonymous to that of the Apostle Paul in the Holy Bible who was a very religious Jew until he met Christ John grew up in a Pentecostal church where their worship style is Judaic in nature When Christ called him to be a minister he began his lifelong fight of faith against Satan and the false ministers in Satan s grasp throughout the world He is the founder and president of the Absolute Faith R In Jesus Christ Ministries He was inaugurated to the office of Bishop on July 19 2009 His ministries and messages have helped thousands of lives to obtain salvation and holistic freedom While he was born in Nigeria he now lives with his wife and children in United States of America
