Subcommittee on Oversight and Investigations,1985     Proceedings of the Insurance Accounting and Systems Association Insurance Accounting and Systems Association,1990     **Reinsurance Regulation:A Contemporary and Comparative Study** Wallace Wang,2003-01-01 We seem to be living at a time when insurance is strained to the breaking point From hurricanes and earthquakes to terrorist attacks and threats of nuclear devastation enormous risks to life and property and accompanying liabilities proliferate on an unprecedented scale Insurer insolvency is not yet common but it is not unusual either And at the root of such failures often lies the compound failure of uncollectable reinsurance This important book proposes that a significant part of the emerging insurance crisis results from inadequate regulation of reinsurance In a detailed and cogent analysis of what an effective regulatory regime for reinsurance must entail the author examines such factors as the following direct supervision of reinsurers versus supervision of reinsurance policies models from developed countries US UK EU and international organisations Organization for Economic Cooperation and Development International Association of Insurance Supervisors the importance of taking legal and economic differences into account while applying models the problem of local protectionism especially in developing countries the dismantling of trade barriers in the reinsurance industry global harmonization of reinsurance regulation the role of reinsurance intermediaries finite risk reinsurance insurance linked securities The author s concluding chapter presents an essential legal infrastructure that allows for efficiency security and individual market characteristics Professor Wang then applies this framework to the Taiwanese insurance market demonstrating convincingly how his proposed regime can solve specific problems while respecting Taiwan s distinct market environment As a meticulously considered appraisal of and solution to a world problem that is growing quickly and uncontrollably Reinsurance Regulation will be of immense value to lawyers professors academics and officials who deal with any facet of economic law     **Proceedings of the National Association of Insurance Commissioners** National Association of Insurance Commissioners. Meeting,1995     Accounting under IndAS: An Illustrative Manual Santosh Maller,2020-06-20 About the book Ind AS transition has resulted in high quality principles based globally comparable financial reporting of large Indian companies The transition not only impacted the financial results of companies but also caused far reaching consequential business impact Since last two years there have been several changes in Ind AS for example amendments in the revenue recognition standard and new leases standard has drastically changed the performance

reporting in the balance sheet composition of companies Further certain Ind AS principles are implicitly complex for example the accounting for financial instruments acquisitions and business combinations are quite nuanced and can get difficult to apply without proper understanding Towards this end this book attempts to provide insights and in depth analysis on interpretative issues and complex principles in the Ind AS standards Ind AS contains extensive presentation and disclosure requirements The relevant chapters extensively deal with these requirements with illustrative examples To simplify the reading experience the chapters include a brief easy to understand summary of the relevant standard followed by Frequently Asked Questions FAQs on the chapter Coronavirus COVID 19 has also resulted in widespread economic uncertainty and disruption of businesses There have been far reaching implications on financial reporting These circumstances would potentially present entities with several challenges when preparing their financial statements This Edition covers some of the key financial reporting implications by way of FAQs in related chapters that companies need to consider along with the possible approaches that they may consider to dealing with the same keeping in view the business objectives financial covenants and the accounting standards This book is intended to help the companies to identify Ind AS requirements that are relevant to them and evaluate various accounting policy choices available under Ind AS The disclosure related issues would be useful to benchmark with the Ind AS IFRS disclosures of major companies Currently there is limited literature of the Ind AS application issues This book endeavors to provide guidance on these issues The book would be an immensely useful referencer for professionals practitioners and corporates
