Dynamics Of Employee Relations 2 E Pb:

Compensation Decision Making Thomas J. Bergmann, Vida Gulbinas Scarpello, Frederick S. Hills, 1998 The ultimate goal of the text is to make compensation decision makers out of its readers No book can provide all the answers nor can it provide a fail safe formula What it can provide are the knowledge and techniques that lead to answers All compensation decisions are made under a set of decision making constraints This book analyzes those constraints A thorough understanding of them will assist the reader since a careful consideration and weighing of all the constraints should result in more rational and workable compensation decisions The decisions have an impact upon the company achieving high productivity or slowly slipping into oblivion To aid in preparing for compensation decisions these pages were written to provide readers with the skills to make wise decisions in a complex ever changing and competitive environment Pref

Dynamic Models for Knowledge-Driven Organizations Jennex, Murray E., 2012-11-30 Since knowledge systems and knowledge management programs are put in place to monitor workers in the performance of their jobs knowledge is therefore an essential component in the achievement of goals and production of economic benefit of an organization *Dynamic Models for Knowledge Driven Organizations* presents a widespread collection of research on the understanding of the managerial technical and human issues associated with the use of knowledge in organizations while bearing in mind the design development and maintenance of useful knowledge management systems This reference is essential for the tools and information needed to effectively implement knowledge management systems and would benefit researchers and practitioners alike
