ÍUrii Aleksandrov

Dzerzhinsky Square:

Perpetrators, Accomplices and Victims in Twentieth-Century Politics Anatoly M. Khazanov, Stanley Payne, 2013-09-13 These studies examine the ways in which succeeding democratic regimes have dealt with or have ignored and in several cases sugar coated an authoritarian or totalitarian past from 1943 to the present They treat the relationship with democratization and the different ways in which collective memory is formed and dealt with or ignored and suppressed Previous books have examined only restricted sets of countries such as western or eastern Europe or Latin America The present volume treats a broader range of cases than any preceding account and also a much broader time span investigating diverse historical and cultural contexts and the role of national identity and nationalism studying the aftermath of both fascist and communist regimes in both Europe and Asia in an interdisciplinary framework while the conclusion provides a more complete comparative perspective than will be found in any other work The book will be of interest to historians and political scientists and to those interested in fascism communism legacies of war democratization collective memory and transitional justice This book was previously published as a special issue of *Totalitarian Movements and Political Religions*

Dzerzhinsky Square James O. Jackson, 1987 *Dzerzhinsky Square* by James O Jackson released on Jul 25 1987 is available now for purchase [It Was a Long Time Ago, and It Never Happened Anyway](#) David Satter, 2011-12-13 A veteran writer on Russia and the Soviet Union explains why Russia refuses to draw from the lessons of its past and what this portends for the future Russia today is haunted by deeds that have not been examined and words that have been left unsaid A serious attempt to understand the meaning of the Communist experience has not been undertaken and millions of victims of Soviet Communism are all but forgotten In this book David Satter a former Moscow correspondent and longtime writer on Russia and the Soviet Union presents a striking new interpretation of Russia's great historical tragedy locating its source in Russia's failure fully to appreciate the value of the individual in comparison with the objectives of the state Satter explores the moral and spiritual crisis of Russian society He shows how it is possible for a government to deny the inherent value of its citizens and for the population to agree and why so many Russians actually mourn the passing of the Soviet regime that denied them fundamental rights Through a wide ranging consideration of attitudes toward the living and the dead the past and the present the state and the individual Satter arrives at a distinctive and important new way of understanding the Russian experience

Boleslaw's Curse Paul F. Jopling, 2006 So who suffers the greater agony the cursed or the curser Don't ask Boleslaw because he won't be able to tell you There you have it a most vexing quandary Truth be told if it hadn't been for the psychoanalyst who age regressed Godfrey Christopher a distraught divorcee to a traumatic childhood incident during one of his therapy sessions the people and events that ultimately provoked Boleslaw's curse might never have been revealed While in this hypnagogic state Godfrey is confronted by a man he had met only recently and later realizes that the individual evoked by his subconscious mind appears not to have aged one iota in the intervening thirty years pursuant to the incident While

attempting to get to the bottom of the enigma he stumbles onto a conspiracy dedicated to avenging the victims of the Katyn massacre a heinous atrocity committed decades earlier by the Soviets that claimed tens of thousands of innocent lives

Boleslaw's Curse is a novel that not only opens a window onto the Soviet KGB apparatus and its infamous Spetsburo Department but also leads the reader across two continents as the brother and the son of one of the murdered victims pursue the principal perpetrators of the massacre When they ultimately follow them to the United States the question becomes will Godfrey Christopher's astute probing into the murders of the perpetrators combined with the work of the local police agencies there unmask these two determined assassins or will the devious stratagems employed by their cadre of compatriotic supporters enable them to escape detection long enough for them to complete their mission of vengeance and return to their homeland There is an additional quandary how will the love triangle involving a captivating European woman the ubiquitous Godfrey Christopher and one of the assassins be resolved in that both Christopher and the assassin are equally well liked in this novel and both seemingly driven by unassailable principles

Head of State Richard Hoyt, Richard Hoyt is an expert writer The New York Times If his plan worked he would bring Russia to its knees But if he failed When poet Isak Ginsburg innocently asks Soviet authorities for permission to emigrate he is sent instead to a Siberian work camp After two inhuman years he is released seemingly a model of reform But Ginsburg has a plot for revenge a devious bizarre plan which could bring the Soviet government to its knees With the help of the beautiful wife of a Russian diplomat a group of dissident Estonians residents of a cancer clinic and unconventional CIA agent James Burlane Ginsburg puts his plan into action For one year's open emigration from Soviet bloc countries he plans to steal and ransom Russia's most precious national relic the Head of State Madcap Marxist suspense shows Hoyt in his best form Ginsburg has far more weight and dignity than is common to a thriller Kirkus Reviews HEAD OF STATE conducts the suspense novel at a new level of literacy ingenious and forceful Brian O Doherty

The Quiet Dogs John Gardner, 2013-04-18 Is Herbie Kruger's final stand He has a chance for redemption But time is running out the Quiet Dogs are stirring After his humiliation in The Garden of Weapons Big Herbie is still under suspicion Worse he has endangered Britain's top agent in the Kremlin Stentor Herbie must make amends He must manoeuvre Stentor's rescue from the grasp of the Quiet Dogs And exact revenge in the final confrontation on his old enemy General Jacob Vascovsky

A Ransomed Dissident Igor Golomstock, 2018-10-25 In 1939 a ten year old Igor Golomstock accompanied his mother a medical doctor to the vast network of labour camps in the Russian Far East While she tended patients he was minded by assorted trusty prisoners hardened criminals and returned to Moscow an almost feral adolescent fluent in obscene prison jargon but intellectually ignorant Despite this dubious start he became a leading art historian and co author with his close friend Andrey Sinyavsky of the first deeply controversial monograph on Picasso published in the Soviet Union His writings on his 43 years in the Soviet Union offer a rare insight into life as a quietly subversive art historian and the post Stalin dissident community In vivid prose Golomstock shows the difficulties of

publishing curating and talking about Western art in Soviet Russia and with self deprecating humour the absurd tragicomedy of life for the Moscow intelligentsia during Khrushchev's thaw and Brezhnev's stagnation He also offers a unique personal perspective on the 1966 trial of Sinyavsky and Yuri Daniel widely considered the end of Khrushchev's liberalism and the spark that ignited the Soviet dissident movement In 1972 he was given permission to leave the Soviet Union but only after paying a ransom of more than 25 years salary nominally intended to reimburse the state for his education A remarkable collection of artists scholars and intellectuals in Russia and the West including Roland Penrose came together to help him pay this astronomical sum His memoirs of life once in the UK offer an insider's view of the BBC Russian Service and a penetrating analysis of the notorious feud between Sinyavsky and Aleksandr Solzhenitsyn Nominated for the Russian Booker Prize on its publication in Russian in 2014 *The Ransomed Dissident* opens a window onto the life of a remarkable man a dissident of uncompromising moral integrity and with an outstanding gift for friendship

Moscow I[]U[]rii Aleksandrov,1984 **The Bourne Ultimatum** Robert Ludlum,2012-06-26 1 NEW YORK TIMES BESTSELLER At a small town carnival two men each mysteriously summoned by telegram witness a bizarre killing The telegrams are signed Jason Bourne Only they know Bourne's true identity and understand that the telegrams are really a message from Bourne's mortal enemy Carlos known also as the Jackal the world's deadliest and most elusive terrorist And furthermore they know what the Jackal wants a final confrontation with Bourne Now David Webb professor of Oriental studies husband and father must do what he hoped never to do again assume the terrible identity of Jason Bourne His plan is simple to infiltrate the politically and economically omnipotent Medusan group and use himself as bait to lure the cunning Jackal into a deadly trap a trap from which only one of them will escape

Moscow, a Tourist's Guide Vladimir Chernov,V. Mazov,1963 *The Directory of International Terrorism* George Rosie,1987 *Time* Briton Hadden, Henry Robinson Luce,1923 **Hippocrene Insiders' Guide to Moscow, Leningrad, and Kiev** I[]U[]rii Fedosi[]u[]k,1989 **From Vyborg to Moscow by Car** Victor E. Louis, Henri Bronstein,1968 **Moscow, Leningrad, Kiev** Deana Levin,1973 **Inside the Kremlin Walls** Boris Vinokur,1985 [Russians Among Us](#) Gordon Corera,2020-02-18 With intrigue that rivals the best le Carr novels *Russians Among Us* tells the explosive story of Russia's espionage efforts against the United States and the West from the end of the Cold War to the present and the significant threat of hacking the 2020 election Spies have long been a source of great fascination in the world of fiction but sometimes the best spy stories happen in real life *Russians Among Us* tells the full story of Putin's escalating espionage campaign in the West the Russian deep cover spies who penetrated the US and the years long FBI hunt to capture them This book also details the recruitment running and escape of one of the most important spies of modern times a man who worked inside the heart of Russian intelligence In this thrilling account Corera tracks not only the history but the astonishing evolution of Russian espionage including the use of cyber illegals who continue to manipulate us today and pose a significant threat to the 2020 election Like a scene from the TV drama *The Americans* in the summer of 2010 a group of Russian deep cover sleeper agents

were arrested It was the culmination of a decade long investigation and ten people including Anna Chapman were swapped for four people held in Russia At the time it was seen simply as a throwback to the Cold War But that would prove to be a costly mistake It was a sign that the Russian threat had never gone away and more importantly it was shifting into a much more disruptive new phase Today the danger is clearer than ever following the poisoning in the UK of one of the spies who was swapped Sergei Skripal and the growing evidence of Russian interference in American life Russians Among Us describes for the first time the story of deep cover spies in America and the FBI agents who tracked them In intimate and riveting detail it reveals new information about today s spies as well as those trying to catch them and those trying to kill them

Culture and Life ,1977 Uses of Tradition in Russian & Soviet Architecture A. Papadakēs,Catherine Cooke,Aleksandr Ivanovich Kudriāvtsev,1987 **Fodor's Moscow, St. Petersburg, Kiev** ,1996
