Ea Noonday Demon:

Demons on the Couch Michael J. Sersch,2019-01-03 Belief in possession including from demonic forces has ancient roots and continues into the modern world especially among certain communities This has been shown in books movies places of worship and in the therapy office This book traces the global history of possession and looks at ways contemporary mental health professionals can help a person who believes themselves to be possessed Written especially for clinicians but interesting to a wide variety of readers this book uses a variety of disciplines including cultural studies psychology and personal experiences to try and understand the phenomenon from as wide a perspective as possible including interviews with exorcists from various backgrounds Both believers and sceptics will find this to be a fascinating study of a controversial topic

The Trial of Innocence Andre LaCocque,2006-10-30 The Adam and Eve narrative in Genesis 2 3 has gripped not only biblical scholars but also theologians artists philosophers and almost everyone else In this engaging study a master of biblical interpretation provides a close reading of the Yahwist story As in his other works LaCocque makes wise use of the Pseudepigrapha and rabbinic interpretations as well as the full range of modern interpretations Every reader will be engaged by his insights
