B. Miller,2003-07-20 The teaching of economic history is in decline in our schools and universities This work combines analysis with an explanation of the technological developments in order to draw parallels between the early British railways and the ICT revolution It shows how stock market bubbles do not necessarily lead to economic losses **London's Railways, 1967-1977** Jim Blake,2015-09-30 This pictorial book covers London s railways from 1967 to 1977 showing the transition from steam to diesel and electric traction This volume has a very readable narrative telling tales of the authors adventures during his many trips around the London railway network The volume encapsulates a period of time in Britain during which a great deal of change was taking place not only with railways and transport but also socially and economically Jim Blake describes all of these changes while also looking at the capitals transport scene of the period **Early British Railways , The Origins of Railway Enterprise** Maurice W. Kirby,M. W. Kirby,2002-07-04 This book argues for the significance of the Stockton and Darlington Railway in Britain s industrialisation **A short history of American railways** Slason Thompson,1925 **The Economics of Rail Transport in Great Britain** Charles Ely Rose Sherrington,1928 **The World's First Railway System** Mark Casson,2009-09-10 This is the first history of the British railway system written from a modern economic perspective It uses conterfactual analysis to construct an alternative network to represent the most efficient alternative rail network that could have been constructed given what was known at the time the first time this has been done **Early Railway Prints** Gareth Rees,1980 *Early British Railways* Christian Barman,1950
