Deadly Sights:

Deadly Sights Ron L. Gerard,1987 **Deadly Sights** Melverna McFarlane,2025-02-17 First he stole her heart Now he'll steal her heart She's my match in every way and I won't let her escape The problem We work for rival organizations and she has a grudge against me My company will kill us once our cover is blown but before that happens I must convince her we belong together Hard to do when she tries to kill me every time she sees me When a queen meets her king she won't be the one to bow down He appears in my life with no warning upending everything I believe about myself Everywhere I turn there he is toying with me Refusing to die by my hand But the more time we spend together the more dangers we face and he could be the most dangerous of all

Internal Investigations Frank A. Colaprete,2007 Throughout the history of law enforcement the internal investigation process has held the most negative connotation of any investigation conducted by law enforcement personnel As we progress through the new millennium the need for efficient and effective law enforcement services and practices grows ever more critical The goal of this book is to demonstrate this need for proper and complete internal investigations and to teach the entry level and tenured police supervisor the form and function of the internal investigations process The text selectively focuses on the purposes and practical implications of internal investigations and the pitfalls The goal is to guide students and professionals through definitions terminology legal and labor issues case law techniques and procedures critical and special investigations including issues in administrative and civil claims The reader will find a model for conducting internal investigations of police personnel that will allow a police supervisor or commander to perform investigations in a thorough ethical legal and equitable manner This book will meet the needs of attorneys who litigate cases involving allegations of police misconduct as well as representatives of collective bargaining groups who represent police personnel in similar actions The text ends with the offering of evidence identification evaluation and collection case review processes risk management training and managing internal investigators and the future trends in internal investigations

Worship and Work Samuel Augustus BARNETT,1913 **Earth of Existence** Ederson Lambert,2016-03-22 *Earth of Existence* A Journey From Haiti to America by Ederson Lambert *Earth of Existence* is a poetic memoir of a child growing up with two overarching cultures of influence prodding author Ederson Lambert's existence He was born in Haiti lived there shortly as a child until ten and afterward immigrated to the United States where life took a considerable change It was fast and it was surreal He found himself living in a poor urban neighborhood where many struggles and obstacles would present themselves as living barriers in his life There were joyous occasions and there were terrible ones when he felt like life was

not meant living He believes that through his faith his personal strength and through the people who would come to be placed in his life helped and allowed him to find the inner talent in himself and eventually the avenue that would find him on a path to a successful life He is not a rich man not a famous person nor an influential individual making an incredible impact on the lives of people but he believes that his words may help someone who isn't worthy in the eyes of society to find some hope by reading these pages Maybe his poetry will relate Maybe his essays or the short stories of when he was down and out will help them to see that their situation is not as bad as they imagine He may not be some prolific writer with big words to bedazzle English majors but he knows that his words will impact someone somewhere on this Earth enough to give them hope that they too can have a voice someday *Tommy Gun* Bill Yenne,2009-10-13 A military and cultural history of the infamous World War II firearm documents its notorious use by mobsters and NRA members as well as its ubiquitous presence in Hollywood films charting its many names and role as a symbol of 20th century culture **A Sight for the Church of God and a notable one! from the scriptures of truth: Number 666, or year 1836; Popery coming up out of the earth ... A warning to the ... nation of England, by a Friend and Well-Wisher, etc** SIGHT,1836 Hidden in Plain Sight Mark Buchanan,2012-07-23 Even for the religious life is full of questions What is faith Can my life be more satisfying How can I deepen my walk with Christ What does it mean to be happy These bubble and boil underneath the surface of our everyday life And though we ignore them we know they point us to realms of wisdom or even mystery to something more Author Mark Buchanan asked these same questions I want more God he prayed and the answer was more than he was looking for It was right there hidden in plain sight among the syllables and syntax of a few words of advice from the apostle Peter With time and experience Buchanan learned to tease it out this secret of more and he wrote a book about it Hidden in Plain Sight The answer he discovered is an investigation of the cross The answer is an excavation of the virtues The answer urges us passionately to make every effort And Buchanan tells us the answer is worth it Sights and Insights Adeline Dutton Train Whitney,1876 **The works** Lucius Caecilius Firmianus Lactantius,1871 The Saturday Review of Politics, Literature, Science and Art ,1902 **The Armies of Industry ...
