**Experiences Near Death** Allan Kellehear,1996 The author compares near death experiences from all over the world revealing their similarities as well as their differences

**The Day I Died** Tammy Cohen,2006 The Day I Died brings together 10 profoundly moving testimonies from people who have passed through the limits of human endurance and beyond Around the world ordinary people go about their daily lives convinced they ve had a glimpse into the afterlife Their eyewitness accounts often share uncanny similarities and this book does justice to this beguiling subject by analyzing narratives and shedding light on a phenomenon at the crossroads of the medical and the mystical Tammy Cohen presents several intriguing real life accounts including a man who died on the operating table and awoke with increased psychic abilities a victim of domestic abuse who had a life changing unusual out of body experience plus stories from people who had drowned and died of heart attacks Powerful challenging and endlessly fascinating The Day I Died celebrates both pleasurable and distressing near death experiences

**Making Sense of Near-death Experiences** Mahendra Perera,Karuppiah Jagadheesan,Anthony Peake,2012 A near death experience NDE is a phenomenon whereby powerful physical and emotional sensations and visions are experienced by someone who is either close to death or has been declared clinically dead This is a guide to the theory and evidence underlying the phenomenon of NDEs

**What Is a Near-Death Experience?** Dr. Penny Sartori,2016-06-14 An expert answers your pressing questions about near death experiences NDEs revealing their positive effects on spirituality consciousness and our relationship with life and death Death is the only certainty in life Yet many people shy away from thinking about it until something drastic happens the diagnosis of a life threatening illness the sudden death of a loved one which can throw us into turmoil Paradoxically contemplating death and the frequently experienced phenomenon of near death experiences NDEs can help alter our relationship with death and release us from the fear that often surrounds it After an insightful introduction about why the subject of NDEs is so worth exploring each chapter in this book addresses a key question What are the characteristics of NDEs and are there different types Are all NDEs pleasant or can some be distressing Who has NDEs and under what circumstances do they occur How do they affect the people who have them and how can this change their lives How can NDEs be scientifically explained aren t they just hallucinations What can we learn from NDEs and can they change our attitude to life and death Can NDE studies lead to an evolution in consciousness and an enhanced sense of spirituality The bestselling author of *The Wisdom of Near Death Experiences* Dr Penny Sartori brings readers on an exploratory journey through the world of NDEs challenging preconceptions and encouraging us to accept and feel empowered by death rather than living in fear of it

*The Near-death Experience* Jenny L. Yates,1996 This is the most comprehensive collection of cases and interpretations of near death experiences NDEs ever assembled A broad range of disciplines are encompassed including psychology philosophy and religion

Afterlife Encounters Dianne Arcangel,2005-09-02 Never before released research proves the dead communicate with us As a former

hospice worker and director of the Elisabeth Kbler Ross Center Dianne Arcangel was certain that visitations from beyond death provided comfort and hope for loved ones still grappling with their loss As a researcher however she was unable to find specific data to measure that comfort and hope To remedy this lack of information she created the Afterlife Encounters Survey a five year international survival study Afterlife Encounters reveals the results of this landmark study and for the first time offers a systematic categorization of such encounters explaining when these encounters are most likely to occur and what type of apparition is likely to appear Afterlife Encounters presents not only the data but also the stories beyond the numbers as friends and family members relate their visitation experiences in their own words Included are amazing stories of the dead returning to tell loved ones that they had been murdered and who it was that killed them apparitions revealing where family treasure was buried even one spirit who provided a remarkable account of the tragedies of 9 11 weeks before those events occurred The stats and stories that Arcangel shares are certain to stay with you for a long time as will her eye opening conclusion afterlife encounters provide real lasting comfort and hope to an astounding 97 percent of those loved ones who experience them

The Handbook of Near-Death Experiences Bruce Greyson,Janice Miner Holden,Debbie James,2009-06-22 A team of international experts presents the history recent developments and controversies in the intriguing study of near death experience Experts from around the world share the history and current state of near death experience NDE knowledge They explore controversies in the field offer stories from their research and express their hopes for the future of investigation into this fascinating phenomenon As modern medical techniques for resuscitation advance NDEs are more frequently reported These include more than the popular notions of moving through a tunnel or seeing a light They also include people once revived knowing things their knowledge of which can t currently be explained As The Handbook of Near Death Experiences Thirty Years of Investigation makes clear great controversy exists in the medical and psychological fields concerning NDEs Are they caused by physiological changes in the brain or are they biological reactions to oxygen loss or impending death Are they a product of changing states of consciousness Or are they caused by something else altogether All of these ideas and more are discussed in this unique and comprehensive volume

Death and Dying, Life and Living Charles A. Corr,Clyde Nabe,Donna M. Corr,1994 This unique book discusses the challenging issues in life death and dying as it applies to everyone people who are facing death those who are coping with dying or with bereavement those struggling with decisions about euthanasia or who are contemplating suicide and those who wish to teach children about the place of death in life The book provides a solid foundation readers can use as they pursue their own insights emphases and special interests in this field The authors illustrate that while we cannot make death disappear from our lives we can learn from each other talk about death together and determine how to live more

productive lives in the face of death      **Near-Death Experiences, the Rest of the Story** P. M. H. Atwater, 2011 One of the world's noted authorities presents this collection of real life stories of near death experiences on the subject and shares her amazing findings based on her sessions with more than 4 000 adults and children over a 40 year period      God and the Afterlife Jeffrey Long, Paul Perry, 2016-06-28 The New York Times bestselling author presents startling new evidence of God's existence based on the largest near death experience study in history In Evidence of the Afterlife Dr Jeffrey Long laid out a strong scientific case for life after death Now he goes further revealing evidence that a Supreme Being exists and there is amazing consistency in the accounts of what he is like Through his Near Death Experience Research Foundation Dr Long collected more than 4 000 reports from people of diverse backgrounds and religious traditions including nonbelievers who had credible near death experiences Some saw a bright light others went through a tunnel still others experienced a review of their life But many of the accounts shared a remarkably similar description of God a Supreme Being who radiated love and grace Expanding on his analysis begun in Evidence of the Afterlife God and the Afterlife is the first intensive account of the people who have gone to the frontier of heaven met God and returned to share their journey Groundbreaking and profound it provides new insight into the human experience and expands our notions of mortality offering possibility hope and comfort

The Gifts of Near-Death Experiences Sheila Fabricant Linn, Dennis Linn, Matthew Linn, 2016-01-01 Near death experiences NDEs are common well documented and similar across cultures throughout the world Current estimates are that between 4 and 15 percent of the world's population have had an NDE Therefore almost everyone has either had one or knows someone else who has had one Some of the fascination with NDEs comes from the fact that they often result in great leaps in personal growth These leaps are characterized by the loss of the fear of death the healing of deep hurts an increase in self esteem and compassion for others a sense of union with all things and a clearer sense of how to fulfill one's purpose in life This is a book that teaches readers how to reap the benefits of NDEs without having to experience trauma In the course of their many workshops around the world the authors have discovered that when one immerses oneself in accounts of NDEs one can experience love hope healing and a sense of purpose This is the only book that systematically encourages the reader to create a spiritual and psychological healing practice based on NDEs Each chapter includes an account of a fascinating NDE followed by a series of questions meditations exercises and video links The reader is encouraged to contemplate these stories and their own lives It is truly a profound guide to both living and dying      **The Mahabharata of**

**Krishna-Dwaipayana Vyasa** ,1928      **Journal of Near-death Studies** ,1993      Near Death Experiences Francisco Valentin, 2015-01-25 Would you be surprised if I tell you that a Near Death Experience is no different than a spiritual experience And what if I provide you with enough evidence to that indisputable truth and without theological ties Throughout this book I will take you on a journey through time and space for you to see above and beyond what science cannot explain religion cannot understand and spirituality is too broad to clarify unless the witness himself can fully explain I am that

witness having a NDE in 1979 at the young age of 17 who brought with me things not taught in school I further became a witness to transcendental experiences that lead me to understand Higher Truth to help you better understand what a Near Death Experience truly is I will explain with easy to understand analogies what does indeed take place how it takes place what is to expect and how to prepare yourself for the journey After all there is no mystery in life only lack of information to what lies ahead
