Deadly Vision:

Minum Barreng Tess Ryan, Tim Senior, 2022-12-01 Things happen during the life course to make vision loss increase and many of these reasons can be traced to a lack of care a lack of access to care and the impact of colonisation Minum Barreng The Story of the Indigenous Eye Health Unit shines a light on the determined team who have worked with Aboriginal and Torres Strait Islander peoples since 2008 to prove that Australia has the will the means and the moral obligation to close the gap in this serious health inequity This is a story of vision in both senses of the word and of strength and opportunity

The Phantom Island Ashish Badole, 2024-11-19 In a modern world filled with technology and constant noise we often overlook the existence of places that still challenge the human mind where desires carry significance beyond our comprehension The Phantom Island is more than just a myth it serves as a cautionary narrative reminding us of the ramifications of our most profound desires This tale delves into the depths of darkness where unmet aspirations transform into terrifying visions and the distinction between reality and fantasy becomes blurred This book encourages you to venture beyond the boundaries of the known world to a location that defies logic yet exists The enigma surrounding the island is like a barely discernible whisper in the breeze one that can be heard if you are open to listening However be forewarned not all who heed the call return to share their experiences What lies ahead is not merely a chronicle of exploration but a narrative of temptation resilience and the repercussions of excessive desire Will you be brave enough to embark on this expedition and confront the unknown that lies beyond the horizon Proceed to the next chapter if you are prepared Nevertheless remember desires always exact a price

Deadly Vision Kris Norris, 2017-04 Fallon Kindade is cursed There s no other explanation Just when she thought she d buried her past to the point it couldn t be resurrected an eerie voice beckons to her pulling her back into the nightmare she s survived twice before And despite the excuses she makes Fallon can t deny the truth The visions have returned And they re more intimate than ever before A love he can t forget He s a fool Not only is Special Agent Gil Grant unable to catch a break on his newest case he s stuck fantasizing about

a woman he pushed away All because of one fatal mistake A moment he can t undo But after leaving Fallon with nothing more than a few words scribbled across a piece of paper he s got little chance of ever winning her back A slow descent into darkness When a twist in fate reunites them Fallon is powerless against the undeniable heat that still simmers between them She knows becoming lovers again is more than dangerous especially when her visions are their only hope at finding a killer before he strikes again But can she trust Gil with the truth knowing it might be what finally destroys their chance at happiness Or will the city s newest serial killer claim her as his final victim Reader Advisory This book contains a m nage trois scene and scenes with anal sex
