**A Deadly Kind of Love** Nicholas Davies,1994 An account of a love triangle gone murderously out of control and how Susan Christie murdered the beautiful blonde wife of her lover [The Summons of Love](#) Mari Ruti,2011-08-09 We are conditioned to think that love heals wounds makes us happy and gives our lives meaning When the opposite occurs and love causes fracturing disenchantment and existential turmoil we suffer deeply especially if we feel that love has failed us or that we have failed to experience what others seem so effortlessly to enjoy In this eloquently argued psychologically informed book Mari Ruti portrays love as a much more complex multifaceted phenomenon than we tend to appreciate an experience that helps us encounter the depths of human existence Love's ruptures are as important as its triumphs and sometimes love succeeds because it fails At the heart of Ruti's argument is a meditation on interpersonal ethics that acknowledges the inherent opacity of human interiority and the difficulty of taking responsibility for what we cannot fully understand Yet the fact that humans are often irrational in love does not absolve us of ethical accountability In Ruti's view we must work harder to map the unconscious patterns motivating our romantic behavior As opposed to popular spiritual approaches urging us to live fully in the now Ruti treats the past as a living component of the present Only when we catch ourselves at those moments when the past speaks in the present can we keep ourselves from hurting the ones we love Equally important Ruti emphasizes transcending our individual histories of pain an act that allows us to face the unconscious demons that dictate our relational choices Written with substance and compassion [The Summons of Love](#) restores the enlivening and transformative possibilities of romance [A Daughter's Gift of Love](#) Trudi Birger,2009-05-14 This story of courage determination and hope is a powerful and moving memoir that pays tribute to love and devotion and the special bond between a mother and a daughter Trudi Berger was literally snatched from the flames of the Holocaust She and her mother were sent to the camps yet Trudi was saved from death not once but dozens of times by her will to live her quick wit her self confidence and especially her love for her mother It was this sense of devotion that in the end kept them both alive to see liberation from the camps and a return to life **A Token of Love for Your Body's Health and Beauty** A.
