

DEAR ABBY

BY ABIGAIL VAN BUREN

DEAR ABBY: Is a person responsible for what he says in his sleep? My husband talks in his sleep. A few times he has mentioned women's names, but when I say anything to him he says he doesn't remember dreaming about any women. He says he is not responsible for what he says in his sleep. Is he right? I don't believe he is unfaithful to me because he always comes right home after work, is a good husband and seems crazy about me. Thanks.
