**Electra** Alfred V. Cafiero, 2014-06-24 Electra is a utopian type city and the envy of every city in the U S Its citizens enjoyed the benefits of good government and therefore lulled into complacency by its many amenities believing the good life would last forever without their participation in civic affairs and henceforth neglected their right to vote Their indifference to the political process left the door ajar for the criminal element to establish a foothold in city government Gradually the tentacles of corruption penetrated every office of city government This once great city is now degenerated into one of crime and vice with the establishment of gambling prostitution and drugs This story centers on two wealthy individuals who decided on restoring the city to its former greatness by combining their resources influence and expertise in a resourceful dangerous and questionable plan Alvin Cain came from humble origins and through his intelligence and fearless nature he became a wealthy man and the architect of a daring plan to restore Electra to respectability John Winthrop Hamilton III was born into wealth a philanthropist and the moral guide of the two men he had to be convinced that Alvin

Cains method was the only viable plan that could succeed Although daring dangerous and unethical the plan was adopted
