Death Comes Staccato:

Death Comes Staccato Gillian Slovo, 1988 *Death Comes Staccato* Gillian Slovo, 1990 Sumptuous West End apartments and exclusive nightclubs are an unlikely setting for an assignment for streetwise detective Kate Baeier **Mystery Women, Volume Two (Revised)** Colleen Barnett, 2011-12-31 Many bibliographers focus on women who write Lawyer Barnett looks at women who detect at women as sleuths and at the evolving roles of women in professions and in society Excellent for all women s studies programs as well as for the mystery hound Look at the popularity of such reading guides as Willetta Heising s *Detecting Women* 3rd ed 0 9644593 7 X or Amanda Cross fiction *Honest Doubt* 0 345 44011 0 11 00 *Murder by the Book?* Sally Rowena Munt, 2003-09-02 *Murder by the Book* is a thorough and thoroughly enjoyable look at the blossoming genre of the feminist crime novel in Britain and the United States Sally Munt asks why the form has proved so attractive as a vehicle for oppositional politics whether the pleasures of detective fiction can be truly transgressive and when exactly it was that the dyke detective appeared as the new super hero for today Along the way Munt poses some critical questions about the relations between fiction and activism politics and representations the writer and the reader This will be an enticing book both for addicts of the genre and for teachers and their students **Feminist Popular Fiction** M. Makinen, 2001-09-25 An examination of feminist writers appropriation of a range of popular genres detective fiction science fiction romance and the fairy tale The author argues that feminists can successfully appropriate all four genres because genres as cultural productions have accommodated the cultural changes brought about by second wave feminism The book provides a history of each of the genres reinstating women s contributions in those histories and a comprehensive review of the feminist critical debates on each of the genres **The Woman Detective** Kathleen Gregory Klein, 1995 Kathleen Gregory Klein traces female paid professional private investigators in British Canadian and American novels revealing that the detective novel is both a reflection of and potential barrier to social change for women This edition adds sixty new female private eyes to the roster and includes an afterword that assesses the current state of the genre s new and old novels A comprehensive bibliography and a character list update the field through mid 1994 **Crime Scenes** , 2021-11-01 The essays in this collection are based on papers given at a conference on detective fiction in European culture held at the University of Exeter in September 1997 The range of topics covered is designed to show not only the presence and variety of narratives of detection across different European countries and their different media although there is a predictable emphasis on the novel It also illustrates the fertility of the genre its openness to a spectrum of readings with different emphases formal as well as thematic Approaches to detective fiction have often tended to confine them selves to symptomatic interpretation where details of the fictional world represented are used to diagnose a specific set of social preoccupations and priorities operative at the time of writing Such approaches can yield valuable insights Nonetheless there is a risk of limiting the value of the genre as a whole solely to its role as a mirror held up to society In this perspective issues of structure and style are sidelined

or if addressed are praised to the extent that they approach invisibility concision sparseness realism are the qualities singled out for praise The genre also gives much scope for formal innovation and indeed has often attracted already established mainstream writers and filmmakers for just this reason The eclectic diversity of the detective narratives considered in this volume reveal the malleability of the traditional constraints of the genre The essays bear rich testimony to the value of considering the interplay of thematic and structural issues even in the most apparently unselfconscious and popular or populist forms of narrative The patterns of reassurance the triumph of intellect and the ordered rational world of old are now challenged by the need to foreground the problems ambiguities and uncertainties of the self and of society The plurality of meanings and the antithetical imperatives explored in these detective narratives confirm that the most recent forms of the genre are not mere palimpsests of their golden age precursors The subversion of traditional expectations and the implementation of diverse stylistic devices take the genre beyond mere homage and pastiche The role of the reader spectator and critic in conferring meaning is a crucial one [Paperbound Books in Print](#) ,1992 **Cracking the Hard-Boiled**

Detective Lewis D. Moore,2015-01-24 The hard boiled private detective is among the most recognizable characters in popular fiction since the 1920s a tough product of a violent world in which police forces are inadequate and people with money can choose private help when facing threatening circumstances Though a relatively recent arrival the hard boiled detective has undergone steady development and assumed diverse forms This critical study analyzes the character of the hard boiled detective from literary antecedents through the early 21st century It follows change in the novels through three main periods the Early roughly 1927 1955 during which the character was defined by such writers as Carroll John Daly Dashiell Hammett and Raymond Chandler the Transitional evident by 1964 in the works of John D MacDonald and Michael Collins and continuing to around 1977 via Joseph Hansen Bill Pronzini and others and the Modern since the late 1970s during which such writers as Loren D Estleman Liza Cody Sara Paretsky Sue Grafton and many others have expanded the genre and the detective character Themes such as violence love and sexuality friendship space and place and work are examined throughout the text Instructors considering this book for use in a course may request an examination copy here [The Subject is Murder](#) Albert J.
