## Death In Summer:

Death in Summer William Trevor,2001      **Summary of Death's Summer Coat - [Review Keypoints and Take-aways]** PenZen Summaries,2022-11-29 The summary of Death s Summer Coat What the History of Death and Dying Teaches Us About Life and Living presented here include a short review of the book at the start followed by quick overview of main points and a list of important take aways at the end of the summary The Summary of Death s Summer Coat is an odd and at times gruesome look at the history of a topic that most of us try to avoid thinking about death Discover the ways in which death rites and the medical profession influence our relationship with the departed as well as the fact that defining death is not as straightforward as one might initially believe it to be Death s Summer Coat summary includes the key points and important takeaways from the book Death s Summer Coat by Brandy Schillace Disclaimer 1 This summary is meant to preview and not to substitute the original book 2 We recommend for in depth study purchase the excellent original book 3 In this summary key points are rewritten and recreated and no part text is directly taken or copied from original book 4 If original author publisher wants us to remove this summary please contact us at support mocktime com      **Death's Summer Coat** Brandy Schillace,2016-01-15 Death is something we all confront it touches our families our homes our hearts And yet we have grown used to denying its existence treating it as an enemy to be beaten back with medical advances We are living at a unique point in human history People are living longer than ever yet the longer we live the more taboo and alien our mortality becomes Yet we and our loved ones still remain mortal People today still struggle with this fact as we have done throughout our entire history What led us to this point What drove us to sanitize death and make it foreign and unfamiliar Schillace shows how talking about death and the rituals associated with it can help provide answers It also brings us closer together conversation and community are just as important for living as for dying Some of the stories are strikingly unfamiliar others are far more familiar than you might suppose But all reveal much about the present and about ourselves
