

Remember Me

Remember me with smiles not tears,
For all the joy through all the years.
Recall the closeness that was ours,
A love as "sweet" as fragrant flowers.

Don't dwell on thoughts that cause you pain,
We'll see each other once again.
I am at peace...try to believe,
It was my time...I had to leave.

But "what a view" I have from here,
I see your face, I feel you near,
I follow you throughout the day,
You're not alone along the way.

And when God calls you... you will be,
Right by my side...right here with me.
Till then, I'll wait by Heaven's door,
We'll be united... evermore!

N. Sutton, 2000 Japanese Death Poems , 1998-04-15 A wonderful introduction the Japanese tradition of jisei this volume is crammed with exquisite spontaneous verse and pithy often hilarious descriptions of the eccentric and committed monastics who wrote the poems Tricycle The Buddhist Review Although the consciousness of death is in most cultures very much a part of life this is perhaps nowhere more true than in Japan where the approach of death has given rise to a centuries old tradition of writing jisei or the death poem Such a poem is often written in the very last moments of the poet s life Hundreds of Japanese death poems many with a commentary describing the circumstances of the poet s death have been translated into English here the vast majority of them for the first time Yoel Hoffmann explores the attitudes and customs surrounding death in historical and present day Japan and gives examples of how these have been reflected in the nation s literature in general The development of writing jisei is then examined from the longing poems of the early nobility and the more masculine verses of the samurai to the satirical death poems of later centuries Zen Buddhist ideas about death are also described as a preface to the collection of Chinese death poems by Zen monks that are also included Finally the last section contains three hundred twenty haiku some of which have never been assembled before in English translation and romanized in Japanese **Poems of sorrow, death and immortality** , 1912 **The Black River** Deirdre Pulgram-Arthen, 2024-10-31 The Black River Death Poems is an anthology

The Death of Dollard, and Other Poems John Boyd, 1914 *Twilight Passages* Hanoch Guy Kaner, 2020-06-07 The Yiddish writer Moyshe Leyb Halpern wrote in his poem *Memento Mori* And should Moyshe Leyb the poet say That he saw Death Just as he sees himself in the mirror Will they believe Moyshe Leyb These poems by Hanoch Guy Kaner may occasion a like incredulity After all if as Wittgenstein asserted Death is not an event in life we do not live to experience death then what about the contending equally experiential statement by Rebbe Bunam of Przysucha about himself that All my life I have been learning how to die Hanoch Guy Kaner does not care to explain or reconcile the seeming paradox if there is one or even to prefer one assertion to the other Himself a poet like Moyshe Leyb he too sees his long familiar neighbor Death just as he sees himself in the mirror Thus these poems each of them a *memento vitae* are each a kind of self portrait as well And as with late Rembrandt self portraits these poems too in the words of John Berger contain or embody a paradox they are clearly about old age yet they address the future They assume something coming toward them apart from Death A something which he the poet sees already remembers already and for which it would seem Death itself is the mirror But will they believe Hanoch Guy Kaner Death stands behind you On the supermarket long line As other unexpected events Robert Margolis We dread it We avoid thinking about it but it is present all the time The poems in this book are explorations of the unknowable and nightmares The poet pulls veils from what is beyond but so close and tangible for a journey like no other in which we call upon angels spirits and souls We visit heaven and hell and hope to enter though the gate of mercy HGK

Body of this Death Louise Bogan, 1923 **Uplifting Poems About the Death of a Loved One** Conrad Birmingham, 2020-05-22 *Uplifting Poems About the Death of a Loved One* is a journey of my life especially in the last five years I have struggled through medical issues for these five years including depression and anxiety I am challenged with the belief that I have a disease that is not diagnosed and I am going to die True or not true that is what I believe He first book of poems works up to this obsession with death The book of poems ends with hope The second book of poetry after my first novel will share this hope and where I am today What is my health like and am I doing well I write poems every week so creating more material is easy for me If it is any good is up to the readers This poetry book will have to wait to be published until I finish my first novel I am halfway done with my first novel I am incredibly excited about the book and the subject matter The subject matter abortion has haunted me for years I believe it is an abomination to kill fifty million 50 000 000

babies a year human beings made in the image of God The novel is to make people think about the horrendous situation called abortion In the future there will be two follow up books about abortion with a fourth book changing storylines to one of the characters in the first three books When the fourth book works then a fifth and sixth book on that storyline You must dream that is all I have to say Dream *Death Poems* Thomas Ligotti, David Tibet, 2004 [Life After Death](#) Jane Rohrer, 2022-04-02 A collection of poems by Jane Rohrer Reprinted with an introduction by Ann Hostetler [The Poems and Plays of John Masefield: Plays](#) John Masefield, 1918 **Death and Transfiguration** Kelly Cherry, 1997-10-01 In this her latest deeply moving collection Kelly Cherry confronts the basic questions of love and death faith and suffering From her search for a new poetry one that can face up to the worst barbarities of the twentieth century Cherry wrests a passionate authoritative powerful vision that is itself transfiguring *Death and Transfiguration* focuses on the wisdom one gains from pain rather than on the pain itself Cherry betraying no fear grasps her anguish to see how much she can stand Dedication tenacity and spiritual poise are needed to make precise observations of this kind in the most trying times In *Death and Transfiguration* Cherry demonstrates how such displacements of the mind carry with them their own analeptic Requiem the collection s long closing poem gathers all of these deaths in a single embrace This spectacular piece emotionally akin to Anna Akhmatova s poem of the same title but as closely and brilliantly reasoned as philosophy transforms everything that has gone before creating a strong unified work *The Lurking Eyes of Death* Chukwuemeke Nduka, 2017-12-25 *The Lurking Eyes of Death* and other *Death Poems* is a collection of death poems that centres its themes on the lingering of death the effects pre and post Its mood is that of sadness stress confusion and other dilapidating factors *The Lurking Eyes of Death* is the major piece in this work covering pages narrating how death parades around looking for blood to sip how it perches on the rooftops and survey who to attack next Other death poems helped in adding more adjectives to the major poem some buttressing the laid down s of the major Most of them were born out of sorrow *The Day Died* was written after I lost my granny They all tell about my mind set towards the concept of death Chukwuemeke Bright Nduka Author [Japanese Death Poems](#) , 2018-04-03 A wonderful introduction the Japanese tradition of jisei this volume is crammed with exquisite spontaneous verse and pity often hilarious descriptions of the eccentric and committed monastics who wrote the poems *Tricycle The Buddhist Review* Although the consciousness of death is in most cultures very much a part of life this is perhaps nowhere more true than in Japan where the approach of death has given rise to a centuries old tradition of writing jisei or the death poem Such a poem is often written in the very last moments of the poet s life Hundreds of Japanese death poems many with a commentary describing the circumstances of the poet s death have been translated into English here the vast majority of them for the first time Yoel Hoffmann explores the attitudes and customs surrounding death in historical and present day Japan and gives examples of how these have been reflected in the nation s literature in general The development of writing jisei is then examined from the longing poems of the early nobility and the more masculine verses of the samurai to the satirical death
