Gross,2024-03-26 A fascinating history of the profitable paradox of the American outdoor experience visiting nature first requires shopping No escape to nature is complete without a trip to an outdoor recreational store or a browse through online offerings This is the irony of the American outdoor experience visiting wild spaces supposedly untouched by capitalism first requires shopping With consumers spending billions of dollars on clothing and equipment each year as they seek out nature the American outdoor sector grew over the past 150 years from a small collection of outfitters to an industry contributing more than 2 percent of the nation s economic output Rachel S Gross argues that this success was predicated not just on creating functional equipment but also on selling an authentic anticommercial outdoor identity In other words shopping for the woods was also about being or becoming the right kind of person Demonstrating that outdoor culture is commercial culture Gross examines Americans journey toward outdoor expertise by tracing the development of the nascent outdoor goods industry the influence of World War II on its growth and the boom years of outdoor businesses The Washington Post Index ,1996 **Chicago Tribune Index** ,1996 **EDM New Trucks** Edmunds Publications,1997 No haggling No hassles No headaches It s as easy as one two three This guide includes the MSRP and dealer invoice prices standard and optional equipment specifications and reviews buying and leasing advice preferred dealer locator and much more
