Federal Register ,2005-08 *Bewitched Again* Julie D. O'Reilly,2013-07-20 Starting in 1996 U S television saw an influx of superhuman female characters who could materialize

objects like Sabrina the Teenage Witch defeat evil like Buffy the Vampire Slayer and have premonitions like Charmed's Phoebe. The extraordinary abilities of these women showed resistance to traditional gender roles although these characters experienced infringements on their abilities in ways superpowered men did not. Supernaturally powerful women and girls have remained on television including the heavenly connected Grace of Saving Private Ryan, telepathic Sookie of True Blood and magical Cassie of The Secret Circle. These more recent characters also face numerous constraints on their powers. As a result superpowers become a narrative technique to diminish these characters, a technique that began with television's first superpowered woman, Samantha of Bewitched. They all illustrate a paradox of women's power: are these characters ever truly powerful, much less superpowerful, if they cannot use their abilities fully? The superwoman has endured as a metaphor for women trying to have it all, therefore the travails of these television examples parallel those of their off-screen counterparts.

Monthly catalog of the United States government publications, 1954 **Louisiana Eats!** Poppy Tooker, 2013-08-23. On her popular radio show of this name, Poppy Tooker has captured some amazing oral histories about the food of Louisiana. This book brings those words to the page, including interviews with Chef Leah Chase, Randy Fertel of Ruth's Chris, the Roman Candyman, Creole kosher cook Mildred Cover, and more. Mouthwatering recipes and outstanding portraits by world-renowned photographer David Spielman beautifully garnish this delicious addition to Louisiana food literature.

Performance Audit of the Department of Central Management Services' Operation of the State Vehicle Fleet Illinois. Office of the Auditor General, 2011. *Yearbook of International Organizations 2014-2015 (Volume 4)* Union of International Associations, Union of International Associations, 2014-09-17. The Yearbook of International Organizations provides the most extensive coverage of non-profit international organizations currently available. Detailed profiles of international non-governmental and intergovernmental organizations (IGO) collected and documented by the Union of International Associations can be found here. In addition to the history, aims, and activities of international organizations with their events, publications, and contact details, the volumes of the Yearbook include networks between associations, biographies of key people involved, and extensive statistical data. Providing both an international organizations and research bibliography, Volume 4 cites over 46,000 publications and information resources supplied by international organizations and provides nearly 18,000 research citations under 40 subject headings. This volume also includes a research bibliography on international organizations and transnational associations.
