Fishermans Summer:

Fisherman's Summer Roderick L. Haig-Brown, 1975 A Fisherman's Summer in Canada Frederick George Aflalo, 1911

The Seasons of a Fisherman Roderick L. Haig-Brown, 2000 Roderick L Haig Brown is one of the world's most beloved fly fishing writers. His classic books bring together exquisite prose, the full romance and beauty of fishing, and much solid angling advice. Here for the first time in one volume are his popular seasons books: *Fisherman's Spring*, *Fisherman's Summer*, *Fisherman's Fall*, and *Fisherman's Winter*. They chronicle a fisherman's year from the brightening days of spring through a loving portrait of the author's home rivers in British Columbia during the summer, on into the excitement of fall fishing, to a winter away from his Campbell River to fish the great rivers of Argentina and Chile. As Verlyn Klinkenborg has said, "It is as if it forms some sort of watershed experience in every angler's reading when he comes upon Roderick Haig Brown for the first time. And so it does." *The Seasons of a Fisherman* is an excellent place to start.

A Fisherman's Summer in Canada F. G. Aflalo, 2017-07-28 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did, decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or, if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and, to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers. Generally, Trieste books are purchased singly on demand; however, they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

Aflalo, 2016-08-30 Excerpt from *A Fisherman's Summer in Canada*: "Therefore, lured by sunny memories of an earlier pilgrimage in which fishing had received less than its due share of attention, I found myself hankering for another glimpse of Canada's rushing rivers and gleaming lakes, which, with a million acres of untrodden forest, make it the finest playground in all the world. How long it will remain so, how long its moose and caribou will tempt the still hunter over virgin snow, how long its salmon will bend the rods of privileged anglers on the Restigouche and Matapedia, or on some less exclusive waters of the Maritime Provinces, or its trout
