*Unseen Gods* Justin Holley, 2025-10-14 Careful what you search for you may just find it With grotesque glimpses of the disappeared the past is alive and well After winning an old casefile at auction outlining the disappearance of a hunting party back in the nineties Kory and his pregnant wife invite their friend and mentor Professor Frank Colista and others for a casual long weekend of exploring the mystery onsite with very little hope of finding anyone or anything When one of their factions disappears without a trace Kory and Colista fear the past may repeat itself Then the deaths start As a savage unexpected snowstorm sets in the disappearances and ungodly sightings of the deceased ramp up and an old woman rambles about end of days and sacrifice
