The Center is Jesus Christ Himself Cardinal Timothy M. Dolan, Bishop James Massa, 2021-04-02 The polarization in the Church today can be traced back to a more fundamental crisis in theology, one which has failed to connect our mundane experiences and the mysteries of the Christian faith with the person of Jesus Christ. Ecclesial discourse on the so-called hot button issues of the day too often take place without considering the foundation and goal of the Church. And this is unfortunately due to a similar tendency in the academic theology that informs that ecclesial discourse. In short, much of post-conciliar Catholic theology is adrift, floating aimlessly away from the center of the Christian faith, who is Christ. *The Center is Jesus Christ Himself* is a collection of essays which anchor theological reflection in Jesus Christ. These diverse essays share a unified focal point but engage with a variety of theological subdisciplines, e.g. dogmatic, moral, Biblical, etc. areas, e.g. Christology, Pneumatology, missiology, etc. and periods, e.g. patristic, medieval and modern. Given the different combinations of sub-disciplines, areas and periods, theology is susceptible to fragmentation when it is not held together by some principle of unity. A theology in which the person of Jesus Christ serves as that principle of unity is a Christocentric theology. Together, the essays illustrate not only what Christocentric theology looks like but also what the consequences are when Christ is dislodged from the center, whether by a conspicuous silence on or by a relativization of his unique salvific mission. The volume is published in honor of Emeritus Professor of Systematic Theology at Boston College, Rev. Dr. Robert P. Imbelli, who dedicated his teaching and writing to bringing Christ back to the center of Catholic theological discourse.

The Last Bachelor of Ales Peter T. Elliott, 2019-11-25 Everyone likes a routine, or at least the familiarity of one, and Jason is no exception. He and his friends have been frequenting the same pub on the same night ever since college. Unfortunately, life has a way of getting in the way of such traditions, what with careers, weddings, kids, then one night it happens. Jason finds himself sitting alone at the group's table, wondering just what the hell happened. Luckily, he doesn't have to wonder alone for long. Another regular fixture at the pub soon introduces himself, and in the first of many philosophical conversations, the two of them spent the evening contemplating the meaning of existence. And it couldn't come at a better time: Jason's life is about to get turned upside down. After finally building up the courage to ask out the beautiful girl in the elevator after months of inane

pleasantries he is thrust unexpectedly into a pressure filled and ethically questionable position at work one that draws him and his new love into a whirlwind of corporate intrigue espionage and betrayal *Catholic World*, 1915 **The Enduring Covenant** Padraic O'Hare, 1997-01-01 The idea for this book arose out of the author's fifteen years of sustained engagement in Jewish Christian relations His purpose here is to speak about the practice of religious education in the church in which anti Judaism is eliminated O Hare focuses on the holiness of the religious community which he notes can develop along triumphal absolute and exclusive lines He suggests instead that every time we unearth a defensive and xenophobic practice or pattern of speech in our religion and set it aside we are doing something that adds to the health of our religious community to its capacity to assist people to become holy Chapter 1 surveys what philosopher Jules Isaac calls the history of the teaching of contempt chapter 2 deals with genuine religious pluralism and dialogue chapter 3 is a short Christology devoid of triumphalism and exclusivism chapter 4 focuses on religious education and its purpose to form holy people chapter 5 is an appreciation of the genius of Judaism its world view and life chapter 6 focuses on practice including elements of a paradigm shift in religious education principles for such practice and select examples of programs of religious education for interreligious reverence especially between Jews and Christians Padraic O Hare teaches in the Religious Studies Department of Merrimack College North Andover MA and is the author of *The Way of Faithfulness Contemplation and Formation in the Church* also published by Trinity Press **Review** Arthur Preuss, 1927 *The Postie and The Priest* Ron Burrows, 2013-08-09 A priest a postie a parish a suburb a city a diocese an unusual and deep friendship a struggle to get a book published *The Postie and the Priest* is part biography part philosophy part social commentary part theological reflection Here is a fly on the wall account of the daily life of an iconic Melbourne priest who has a deep passion for the battlers of his city written by his postman who began by delivering his letters and ended up recording his life story The stories from Fr Bob Maguire's life recall family events life in the seminary time as an army chaplain work in various parishes media connections and above all his passion for the organisations he founded Open Family and the Fr Bob Maguire Foundation that give voice to his concern for the underprivileged and the homeless of Melbourne The postie admires the priest and tells his story but this is as much the postie's story giving us a unique insight into the history characters and streets of South Melbourne that have shaped the lives of both men **The American Catholic Quarterly Review**, 1910 **Sons of Saint Patrick** George Marlin, Brad Miner, 2017-01-12 *Sons of Saint Patrick* tells the story of America's premiere Catholic see the archdiocese of New York from the coming of French Jesuit priests in the seventeenth century to the early years of Cardinal Timothy Dolan It includes many intriguing facets of the history of Catholicism in New York including the early persecution of and legal discrimination against Catholics the waves of catholic immigrants most notably from Ireland the Church's rise to power under New York's first archbishop Daggar John Hughes the emerging awareness in the Vatican of New York's preeminence the clashes between America and Rome over the Americanist heresy the role New York's archbishops have played in the life

of America's greatest city and in the world. The book focuses on the ten archbishops of New York and shows how they became the indispensable partners of governors and presidents especially during the war-torn twentieth century. Also discussed are the struggles of the most recent archbishops in the face of demographic changes, financial crises, and clerical sex abuse cases. Sons of Saint Patrick is an objective but colorful portrait of ten extraordinary men, men who were saints and sinners, politicians and pastors, and movers and shakers who, as much as any other citizens, have made New York one of the greatest cities in the world. All ten archbishops have been Irish, either by birth or heritage, but given New York's changing ethnic profile, Cardinal Timothy Dolan may be the last son of Saint Patrick to serve as its archbishop.

American Catholics in the War Michael Williams, 1921. Excerpt from *American Catholics in the War*, National Catholic War Council, 1917-1921. That promise meant the consecration in patriotic service, not only of our priests and of our religious, but also of our laymen and laywomen; it meant not only one organization, but every organization; not only one source of support within the command of the body, Catholic chaplains in the service, men in the army and navy, trained Catholic men and women who would devote themselves to all the men of the service, the support of government appeals by our Catholic parishes, the erection of huts and visitors' houses within the camps, here of service clubs in the cities, of welfare work both at home and abroad.
