

LE DEFI ECOLOGISTE

La montée en puissance des écologistes est l'un des phénomènes politiques majeurs de ces dernières années. Longtemps marginalisés sur la scène nationale, ils ont conquis aujourd'hui une place de premier plan, surtout dans les assemblées locales et régionales, ils sont couronnés par les grands partis traditionnels. Les Verts et Génération Ecologiste ont su capter un électorat suffisamment large pour qu'ils puissent prétendre influencer leur mandat sur les destinées du pays. Le mouvement écologiste demeure cependant fragile : ses représentants ont dû et en temps record se transformer en politiciens professionnels et en professionnels avisés, sans pour autant rompre avec l'exigence d'une démocratie à la base.

En croisant les approches des principaux acteurs et des spécialistes, ce livre présente une réflexion sur les origines de l'écologie politique et les causes sociologiques et culturelles de son impact sur le social français. Il analyse les rapports que les écologistes entretiennent avec l'État et ses administrations, les stratégies qu'ils développent à l'échelle européenne. Il présente enfin une véritable ethnologie des pratiques politiques et de l'écriture des écologistes sur le terrain.
