

JUVENILE DELINQUENCY

Juvenile delinquency refers to behaviors by people not legally adults that are outside of the norms of society, either formally or informally.

OVERVIEW

Generally, juvenile delinquency will refer specifically to behaviors that are illegal and enforced by formal social controls, such as through criminal justice agencies. However, it may also refer to engagement in taboo and personally destructive but not illegal behaviors. It is often caused by emotional, psychological, and cognitive challenges experienced in the teen years.

EXAMPLE

Shoplifting is a common juvenile offense. This behavior may be caused by the desire to obtain material goods that the young person cannot access due to lack of participation in the labor market, but could also be the result of thrill-seeking behaviors and peer pressure. It may also be an exhibition of boredom among unsupervised teens.
