The Kings and Queens of Britain Cath Senker,2021-08-15

Who was the first king of England Did Henry I assassinate his brother How did Bloody Mary reinstate Roman Catholicism For more than 1 000 years the British monarchy has dramatically shaped national and international history Kings and queens have conquered territory imposed religious change and extracted taxation each with their own motivations and ambitions In this fascinating book Cath Senker delves into the extraordinary history of the British monarchy and its host of kings queens and pretenders There have been benevolent rulers violent ones religious fanatics brilliant economists masters of diplomacy and the power hungry But whether they have abused their power or used it for good each monarch has played a part in the rich tapestry of British history coping with both international and civil wars rebellions and criticism The Kings Queens of Britain introduces a thousand year history providing rich biographical detail of Britain's remarkable monarchs

Historical Dictionaries in their Paratextual Context Roderick McConchie,Jukka Tyrkkö,2018-09-24

Both dictionary and paratext research have emerged recently as widely recognised research areas of intrinsic interest This collection represents an attempt to place dictionaries within the paratextual context for the first time This volume covers paratextual concerns including dictionary production and use questions concerning compilers publishers patrons and subscribers and their cultural embedding generally This book raises questions such as who compiled dictionaries and what

cultural linguistic and scientific notions drove this process What influence did the professional interests life experience and social connexions of the lexicographer have Who published dictionaries and why and what do the forematter backmatter and supplements tell us Lexicographers edited adapted and improved earlier works leaving copies with marginalia which illuminate working methods Individual copies offer a history of ownership through marginalia signatures dates places and library stamps Further questions concern how dictionaries were sold who patronised them subscribed to them and how they came to various libraries
