INTRODUCTION IN PREPARING this book it has been our object to give not only a complete dictionary of terms historic and commercial but to so arrange the matter that one may be able to analyze any piece of lace and with little difficulty give it its proper classification

**The Lace Dictionary** Chandler Robbins Clifford,2017-07-24 Excerpt from The Lace Dictionary Including Historic and Commercial Terms Technical Terms Native and Foreign It is unfortunate that lace terms are very confusing because so frequently coined arbitrarily and without any reason and the list multiplied beyond all calculation by adjective and geographical terms and their foreign equivalents About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
