**DJ Losen**

## Larcenous Lady:

**Strange Capers** Joan Smith, 2011-05-28 Constance Pethel had become accustomed to Lady Savage's economies and begging letters to Lord Aiglon to provide money to refurbish his falling-down manor that they occupied. Arriving to discover this deceit, Aiglon decided to put the property on the market, depriving them of their home. But Constance learned that Aiglon was more interested in a stolen shipment of British arms and herself. *Regency Romance* by Joan Smith, originally published by Fawcett Crest.

[Dancing On the Wind](#) Mary Jo Putney, 2011-10-31 Dangerous Deceivers Like his nickname Lucifer, Lord Strathmore is known for unearthly beauty and diabolical cleverness. A tragic past has driven Lucien to use his formidable talents to protect his country from hidden enemies. It's a job he does superbly well until he meets a mysterious woman whose skill at deception is the equal of his own. By turns glamorous and subdued, his enchanting adversary baffles his mind even as she dazzles his senses. A perilous mission has forced Kit Travers into a deadly game of shifting identities and needful lies where a single misstep might cost Kit her life. But her disguises are easily penetrated by the Earl of Strathmore, who may be a vital ally or a lethal enemy. Unwilling to trust yet unable to part, Kit and Lucien join forces to search the dangerous underside of London society. Yet even two master deceivers cannot escape passion's sensual web or from an impossible love more precious than life itself. A Romance Writers of America RITA winner for Best Long Historical Romance Books in the Fallen Angels series. Book 1: Thunder Roses; Book 2: Dancing on the Wind; Book 3: Petals in the Storm; Book 4: Angel Rogue; Book 5: Shattered Rainbows; Book 6: River of Fire; Book 7: One Perfect Rose. Praise for *Dancing on the Wind*: With surprises around every turn of the page and a story that keeps you guessing right up until the end, *Dancing on the Wind* is Mary Jo Putney at her best, combining suspense, humor, and a unique style of sensuality perhaps surprising to gentle readers. Readers will be enthralled and enraptured with this irresistible tale. *Romantic Times*: *Dancing on the Wind* is another A read from one of the very best I count on. Mary Jo Putney for a compelling story with characters who live and breathe, and most of all, love. Lucien senses in Kit the change to regain a part of himself he had thought forever lost. Kit has always felt second best and finds it difficult to believe that she can trust in Lucien's love. Their love story is intense, emotional, and deeply satisfying. *Under The Covers*: One of my favorite romances of all time. *All About Romance*: *Medieval Romance and Material Culture* Nicholas Perkins, 2015. Studies of how the physical manifests itself in medieval romance and medieval romances as objects themselves. Medieval romance narratives glitter with the material objects that were valued and exchanged in late medieval society: lovers' rings and warriors' swords, holy relics and desirable or corrupted bodies. Romance, however, is also a genre in which such objects make meaning on numerous levels and not always in predictable ways. These new essays examine from diverse perspectives how romances respond to material culture but also show how romance as a genre helps to constitute and transmit that culture. Focusing on romances circulating in Britain and Ireland between the twelfth and sixteenth centuries, individual chapters address such questions as the relationship between objects and protagonists in romance narrative; the

materiality of male and female bodies the interaction between visual and verbal representations of romance poetic form and manuscript textuality and how a nineteenth century edition of medieval romances provoked artists to homage and satire
