Avery,Jo Dillon,Anna Gruetzner Robins,2017 A beautiful celebration of six decades of work by Edgar Degas published in the  
centennial year of the artist s death Edgar Degas s 1834 1917 relentless experimentation with technical procedures is a  
hallmark of his lifelong desire to learn The numerous iterations of compositions and poses suggest an intense self discipline  
as well as a refusal to accept any creative solution as definitive or finite Published in the centenary year of the artist s death  
this book presents an exceptional array of Degas s work including paintings drawings pastels etchings monotypes counter  
proofs and sculpture with approximately sixty key works from private and public collections in Europe and the United States  
some of them published here for the first time Shown together the impressive works represent well over half a century of  
innovation and artistic production Essays by leading Degas scholars and conservation scientists explore his practice and  
recurring themes of the human figure and landscape The book opens with a study of Degas s debt to the Old Masters and it  
concludes with a consideration of his artistic legacy and his influence on leading artists of the 20th and 21st centuries
