Demonic Turn:

The Demonic Turn Lloyd H. Steffen, 2003 Examining the differences between concepts of God related to ultimacy and absolutism Steffen names absolutism as the source of destructive life defying religion explaining that it is the central reason and the main cause for religion becoming dangerous and turning demonic Part I of the book explores the power and danger of religion as well as two options for being religious Part II explores religion and the restraint of violence as it looks at the pacifist option the case of holy war and the case of just war BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Satan the Devil, Walks the Earth as a Human Being, a Person!** Donald Evans, 2022-08-05 Satan is a man who walks and lives among us as a real person yet a spirit appearing as a real person or human being Only God can identify Satan in human form also demons those spirit persons without bodies do not possess transitional power as Satan Demons cannot materialize although they need human bodies to enter to perform their operation in the world Demons are real spirit persons with all human characteristics Demons now spirit persons articulate as well as any human being internally and externally in or out of the human body Let no one fool you even though Satan and demons are defeated foes they still possess great power of influence over the world population because of human ignorance and lack of knowledge They see and hear everything we do and speak They are with us and in your presence at this very moment spiritually or physically or both Demon spirits are assigned to us individually forever lasting including myself twenty four hours a day People I stated earlier that they are spirited persons without bodies in search of human bodies to dwell in to perform the works of the devil Once they enter human bodies only the name of Jesus Christ and prayers can cast demons out or drive them out of whom they possess These spirit persons now demons that has entered and possessed human bodies as their own are causing people to act violently committing and performing acts never before committed It can t be expressed strong enough the reality of demon spirits are observing waiting in the Earth s atmosphere for the opportunity to enter and possess human bodies to use as their own This is for the world All mankind are under their invisible attack every man woman or child Yes children of all ages are vulnerable of demon possession The spirit world does discriminate in age nor race nor people of color All are vulnerable There isn t a person dead or alive that Satan or demons those spirit persons have not gone against spiritually or physically or attempted to enter by the power of the devil into the flesh of mankind which many already has entered Multitudes have no knowledge of their possession Satan s spirit enters a person s body sitting in the presence of Jesus Christ the King of kings and Lord of lords imagine what his spirit person is doing to those that are lost in the world Believe me he isn t alone when he came to steal kill or destroy by any means In this book Satan the Devil Walks the Earth as a Human Being You ll discover how these spirit persons now demons perform once they enter human bodies also you ll discover how these spirit persons now demons enter human bodies even my own of nearly forty years without my knowledge they were in me Also you ll discover today more people are depressed obsessed oppressed or possessed or under some kind

Holy War, Just War Lloyd Steffen, 2007-03-26 Holy War Just War explores the dark side in Christianity Islam and Judaism by examining how the concept of ultimate value contributes to religious violence The book states that religion has within its own conceptual tools the resources to understand its own dark side and that religious people must subject their religion to a moral vision of goodness and constrain those parts that make for violence and hatred

Disguises of the Demonic Alan M. Olson, 1975

Demonic Possession in the New Testament William Menzies Alexander, 1902 Demonic possession in the New Testament is still an unsolved problem That statement is at variance with a considerable body of opinion recently expressed on two continents Nevertheless it is a correct representation of the present state of the case Modern writers have attained a certain unanimity only by approaching the subject from one point of view and confining attention to the more conspicuous phenomena But any investigation which claims finality must explore the whole environment and scrutinise all residual facts There is a comparative demonology to be studied there are types of mental disease to be examined there is a criterion of genuine possession to be discovered and applied The inquiry thus broadens out and takes account of many points hitherto ignored or neglected Preface

Evil and the Demonic Paul Oppenheimer, 1996 In this study the author sets out to unravel and expose one of the most powerful and compelling phenomena a subject which has generated books films and media and has now become one of the most popular topics of entertainment evil

The Devil Maurice Garçon, Jean Vinchon, 1930

Either/or Robert L. Perkins, 1995 There he focuses on a large variety of the stereotypical views of women from a sentimental and whining appraisal of her position in the world through the view that sexual exploitation is an uncontrollable natural instinct and or drive for which men are not morally responsible to the view that women is a jest not to be taken seriously as a moral and responsible being and then that she is just there as a sexual object or plaything to be reflectively seduced on the male s terms

and for his pleasure or rejection whatever suits him at the moment Needless to say this great variety of views of the uses of woman has provoked a large critique and just as predictable that critique is as varied as the intellectual tools available for the analysis of a work that is as literary as it is philosophic The present collection of essays treats these and many other of the most important issues raised in *Either Or* in fresh and perceptive ways *Overcoming Demonic Strongholds* S.
