

" No varying Moon, nor starry frame  
 Diversifies the Year;  
 Nor Sun, but the all-glorious Lambe  
 Brings light to that blest sphere:  
 Unsetting light, for ever bright,  
 Makes day without a night."

The passionate and melodious hymns of Richard Crashaw (q.v.) are hardly fitted for congregational use. He translated, amid a variety of other pieces, the "Lauda Sion" of St. Thomas Aquinas; and imitated, with some success, the mellifluous versification of the original. Austin's hymns [see *English Hymnody, Early*, § x.] were published in his *Devotions*, in 1668, and in 1672, 1684, and two editions in 1685. Although these hymns are of some merit, they are used chiefly outside of Austin's own communion, and in the form handed down by Dorrington and Hickes.

4. John Dryden, who in common with Crashaw and Austin, was originally a member of the Church of England, was the most noted of a group of translators who in the *Primers* of the seventeenth century made translations of the Latin hymns from the Reformed *Roman Breviary* form of 1632. Some of these translations are still found in a few Roman Catholic manuals and hymnals. Dryden's translation of the "Veni Creator Spiritus":—

" Creator Spirit, by Whose aid  
 The world's foundations first were laid":

published as early as 1693, is the best known example. Two other translations by him are given in Scott's *Dryden*, and repeated in the recent editions of Dryden's *Poems*. There is strong internal evidence and some traditional grounds for believing that these are but specimens of his efforts in this direction [see *Dryden*]. The 1685 ed. of the *Primer* is of this class, although Dryden can scarcely be said to have had any share in the production of the work. A *Roman Primer* of 1687 contains these translations of the 1685 *Primer*, and a few which were new.

5. During the eighteenth century very little was done. Alexander Pope held fast to his religion in the midst of much of the false philosophy of his day. He composed in the spirit of a true Christian the exquisite *Ode* which was suggested by the Emperor Adrian's:

" Anzula, vagula, blandula,  
 Hospes comesque corporis."

It is the well-known "Vital spark of heavenly flame." His *Messiah* and his *Universal Prayer* have given several centos to modern hymn-books. [See *Pope, A.*] Amongst translations not generally known is one by "T. P." published about 1740, of St. Thomas Aquinas's "Lauda Sion." Although departing from the original metre, it is fairly meritorious. The last stanza reads:—

" Gracious Jesus, Food divine,  
 Preserve us, feed us, lest we stray;  
 And through the lonely Vale of Time  
 Conduct us to the Realm of Day.  
 Source of uncreated Light!  
 Matchless goodness! boundless Might!  
 Fed by Thy Care, thy Bounty blest,  
 Hereafter give thy Flock a place  
 Amongst thy Guests, at chosen Place,  
 The Heirs of everlasting Rest."

In 1763 a complete translation of the *Roman Breviary* was pub. in 4 vols., with new translations of the hymns: but it was late in the century before anything approaching to the style and manner of the modern hymn-book

appeared, with the exception of an isolated translation of a popular hymn or two as the "Adeste Fideles." In 1791 a most extraordinary *Collection of Spiritual Songs* was issued by Bishop John Geddes, in connection with Bishop John Hay, for the use of the Scottish Northern Roman Catholics. This was reprinted in 1802, and again in 1823, with additions and alterations. The hymns are written to familiar Scottish airs, the result being a hymnal which ranks amongst the most curious in the whole range of English hymnody.

6. In the present century one of the first, if not the first, collection of hymns for the use of English Roman Catholics was published by the Rev. George L. Haydock, as *A Collection of Catholic Hymns, or Religious Songs*, York, 1823. From the Preface it appears that two editions, previously issued in 1805 and 1807, were edited by the Rev. Nicholas Alain Gilbert, and that this York edition is that of 1807 reprinted in full. It contains hymns by Austin; Dryden's "Veni Creator"; some from the 17th century Manual of Prayers and Litanies; a fine piece by Nicholas Poskett, 1660, which is alluded to in the Preface; translations from St. Francis Xavier and St. Bernard; a ballad of John Tauler and the Beggar, which, in its prose form, is frequently appended to the early translations of St. Francis de Sales's *Introduction to a Devout Life*; and some of the earliest, if not the earliest, translations from the *Paris Breviary*. Another collection by Haydock, published at Whitby, 1823, is a clear and distinct departure from these old lines. It is *A Collection of Catholic Psalms, Hymns, Motetts, Anthems, and Doxologies*: is appended to the former collection, and adds 39 hymns thereto, in addition to the Motetts and Anthems, and 18 Doxologies. Many of the hymns are altered from J. Fanch and D. Turner, L. Watts, B. Rhodes, J. Montgomery, and C. Wesley. Daniel French; J. R. Beste in his *Catholic Hours*, a family prayer-book with hymns, 1839; and Dr. Husenbeth in his *Roman Missal for the Use of the Laity*, 1840, and his *Vespers Book of 1841* bring us down to the works and the labourers of the past forty years.

7. In many of the books of devotion in use among the Roman Catholics of Great Britain, there are English versions of the Latin hymns occurring in the Mass, Vespers, and Benediction, which compose the ordinary public services on Sundays: and these versions are not bound to be strictly uniform. An exceedingly popular Manual is *The Garden of the Soul*, and it contains a version by the Rev. E. Caswall, of the "Hymn to our Saviour Jesus, abridged from St. Bernard." The frequent hearing, singing, and repeating these affecting words:—

" Jesus, the very thought of Thee,  
 With sweetness fills my breast;  
 But sweeter far Thy face to see,  
 And in Thy presence rest!"

with the remainder, have treasured it in the memory of multitudes of the faithful; and is a fair specimen of the translated Latin Hymns and Sequences which are found in a large number of modern Roman Catholic prayer-books. They do not always show translations of the first order, but they are sufficiently good for

## **Dictionary Of Hymnology Volume 2 Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Dictionary Of Hymnology Volume 2 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Dictionary Of Hymnology Volume 2 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Dictionary Of Hymnology Volume 2 free PDF files is

convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Dictionary Of Hymnology Volume 2. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Dictionary Of Hymnology Volume 2 any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Dictionary Of Hymnology Volume 2 Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Dictionary Of Hymnology Volume 2 is one of the best book in our library for free trial. We provide copy of Dictionary Of Hymnology Volume 2 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Dictionary Of Hymnology Volume 2. Where to download Dictionary Of Hymnology Volume 2 online for free? Are you looking for Dictionary Of Hymnology Volume 2 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Dictionary Of Hymnology Volume 2. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Dictionary Of Hymnology Volume 2 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is

possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Dictionary Of Hymnology Volume 2. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Dictionary Of Hymnology Volume 2 To get started finding Dictionary Of Hymnology Volume 2, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Dictionary Of Hymnology Volume 2 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Dictionary Of Hymnology Volume 2. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Dictionary Of Hymnology Volume 2, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Dictionary Of Hymnology Volume 2 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Dictionary Of Hymnology Volume 2 is universally compatible with any devices to read.
