

Literary Questions

1. Characterization

1. What is characterization and what's the difference between direct and indirect characterization?

Direct (explicit) characterization

2. What type of characters is the first step in characterization?

Flat

3. How do characters differ from each other? How do they change over time?

Flat characters are those who are not developed over time. They are usually minor characters who are not central to the plot. Round characters are those who are developed over time. They are usually major characters who are central to the plot. Dynamic characters are those who change over time. Static characters are those who do not change over time.

4. How do characters differ from each other? How do they change over time?

5. How do characters differ from each other? How do they change over time?

6. What is characterization of the first paragraph? How is it different from the rest of the text?

Characterization of the first paragraph is done by using direct characterization. The narrator tells us that the character is a young man who is very intelligent and very kind. This is done by using direct characterization. The narrator tells us that the character is a young man who is very intelligent and very kind. This is done by using direct characterization.
