Chronologically, it follows Book 2 of *Essential Elements for Strings*; however, it is designed as a multi-use technique book for use within a string orchestra setting. The various sections of the book are organized so that you may use them in the way that best suits your individual needs.

As you progress with your musical training you will become involved in a variety of performances. Always observe proper concert etiquette by being well prepared, dressing appropriately, being on time, and remembering all equipment. Show respect when others are playing by listening attentively and applauding at the appropriate time.

As your musical experiences continue, you will enjoy discussing various opportunities that are available to musicians. Careers include teaching, performing, conducting, and composing. No matter what profession you choose, there are always opportunities available to you to continue your musical involvement. You can continue to play your instrument in community, civic, or church orchestras. One can also attend concerts and become a supporter of the arts. Whether you choose music as a vocation or avocation, we hope it will always be an important part of your life. We wish you the very best for a lifetime of musical success.
