Another Woman:

Another Woman's House Hamida B. Randolph, 2001 Are you tired of the oh so spiritual advice given by people who don't seem to understand your desires Feel like you are all alone in terms of your past experiences Perhaps the single literature you've read doesn't reflect your situation and you are looking for answers In *Another Woman's House* Hamida Randolph takes you through your own self discovery as you learn biblical principles for sex dating not having any dates looking for the right man and watching out for the wrong ones A never married single as well as a parent Ms Randolph reaches into the Word of God to inspire single women to continue in seeking God's best for them no matter what their life's testimony is Every testimony she shares is deeply personal and meant to inspire you as you begin to see yourself as God sees you while you are single From single parent protection to feeling passed over by God from intense desires for sex to intense hopelessness God's purpose is covered in this text
