Living Hope David H. Jensen, 2010-01-01 Eschatology the theological name for the study of the endtime often conjures up frightening concepts of the rapture the final judgment heaven and hell Armageddon and the anti Christ Author David Jensen's theological approach offers a brighter perspective on the end time as a time of hope when Christians will see the full glory of the Kingdom of God the resurrection of the body and Christ's promised return Preaching as Worship Michael J.

Quicke, 2011-09-01 Much current literature on church worship rarely mentions preaching and vice versa Worship is often seen as restricted to music and liturgy while preaching is assumed to operate on different principles for different purposes But veteran preacher Michael Quicke argues that preaching should be viewed as worship as both worship and preaching belong within the same Trinitarian dynamic serving the same purpose and marked by similar characteristics Drawing on insights from wide ranging literature and practitioners on both sides of the gap this insightful book confronts and corrects ten characteristics of preaching that are disconnected from worship *Who Is This King of Glory?* Tony Evans, 2008-09-01

The Historical Jesus C. Piepenbring, 1924 **The Expository Times** James Hastings, Ann Wilson Hastings, Edward Hastings, 1897 **Dreams of Paradise, Visions of Apocalypse** J. Verheul, 2004 The book explores the fundamental and multifaceted dialectic between utopian dreams and dystopian nightmares within American culture. The utopian mindset in constructing and imagining different futures for society is reflected in a wide range of differential cultural texts and narratives such as novels, short stories, political discourses, and treatises, journalism, and scholarly and intellectual debates. Often these combine social criticism and satire, political rhetoric, religious belief systems, and biblical metaphors. Approaching the topic from various angles and throughout different historical periods, the essays in this volume collectively show how fascinating and rewarding the exploration of this utopian discourse is for an understanding of American culture. *The Lord's Return* Jesse Forest Silver, 1914
