Colonial Administration Of Great Britain:

Colonial Administration of Great Britain Sir Sydney Smith Bell, 1859 *Colonial Administration of Great Britain* Sydney Smith Bell, 1970 **Colonial Administration of Great Britain (Classic Reprint)** Sydney Smith Bell, 2015-06-29 Excerpt from Colonial Administration of Great Britain This dissertation had its origin in an inquiry which in the year 1853 I felt it my duty to make as to the foundation of the law I was to administer under Her Majesty's Commission The inquiry was begun without anticipation that it would lead to more than perfecting information for the discharge of a responsible duty If any reader shall be staggered at some of the doctrines propounded he will not be more so than I freely confess I myself was when I first found them to be the inevitable result of reflection as the subject gradually developed itself Finding the inquiry to be interesting I committed the result to paper and completed the MS so long ago as the year 1854 At that time the Crimean war was in full vigor presently came our quarrel with China and immediately upon the back of it the great Indian rebellion While these demands upon the national resources continued it did not seem prudent to publish a dissertation of this kind although in a pecuniary point of view it might have been wiser for myself to have done so inasmuch as dissatisfaction by several of our colonies with the mode of their government was then rather lively and public opinion a good deal directed to the subject That state of the colonies however operated only as one reason the more for refraining from publication About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
