Comanche Promise:

Comanche Promise Carol Finch, 1998 With each historical romance she pens Carol Finch creates a unique blend of unforgettable sensuality captivating humor and wild adventure Now in this novel a risky bargain is sealed with much more than a kiss as two outsiders a plucky British beauty and an elusive Comanche gunslinger finally find their place in the West and in each other's arms

The Comanches Thomas W. Kavanagh, 1999-01-01 This is the first in depth historical study of Comanche social and political groups Using the ethnohistorical method Thomas W Kavanagh traces the changes and continuities in Comanche politics from their earliest interactions with Europeans to their settlement on a reservation in present day Oklahoma

Documents of American Indian Diplomacy Vine Deloria, Raymond J. DeMallie, 1999 Reproduced in this two volume set are hundreds of treaties and agreements made by Indian nations with among others the Continental Congress England Spain and other foreign countries the ephemeral Republic of Texas and the Confederate States railroad companies seeking rights of way across Indian land and other Indian nations Many were made with the United States but either remained unratified by Congress or were rejected by the Indians themselves after the Senate amended them unacceptably Many others are agreements made after the official but hardly de facto end of U S treaty making in 1871 With the help of chapter introductions that concisely set each type of treaty in its historical and political context these documents effectively trace the evolution of American Indian diplomacy in the United States
