How to Become a Successful Christian Leader Robert H. Pierson, 1978-01-01 *In Pursuit of Great AND Godly Leadership* Mike Bonem, 2011-11-15 Is it possible for church leaders to use biblical and secular leadership concepts in a way that keeps Christ not the marketplace at the center of their mission Drawing on biblical material and business wisdom *In Pursuit of Great AND Godly Leadership* explores the critical leadership decisions and practices that shape the success of Christian organizations These decisions are illustrated in compelling interviews with over forty leaders of churches universities denominational bodies and international ministries Mike Bonem leverages his background as an MBA trained manager and an experienced church leader to bridge the gap between the analytical and structured world of business and the faith driven approach that is essential for healthy churches Written to offer practical solutions for senior pastors executive pastors key laypeople and leaders of other Christian entities *In Pursuit of Great AND Godly Leadership* clearly shows the ways that secular practices can be imported into their organizations Bonem addresses a variety of topics such as planning finances personnel management measurement team dynamics and organizational change In doing so he points to the AND that every spiritual organization should strive to achieve *Being A True Shepherd Leader*, [DIG DEEP: Daily Guide to Becoming an Effective Christian Leader](#) Dr. Jaria C. Aljoe, 2019-11-11 It is not uncommon for Christian leaders to focus on developing and pouring into others While this is noble the Christian leader must pause to create intentional moments that allow God to pour into them Otherwise stress fatigue and weariness become healthy portions along the journey of life Daily devotions help to avoid this pitfall and ensures that the Christian leader remains infused with the strength needed to carry out God given assignments DIG DEEP is a daily guide that positions the Christian leader to maximize quality time with God Each devotion affords the reader the opportunity to reflect on Christian leadership principles from a Biblical perspective This 365 day devotional is sure to fan the flames of your passion for Effective Christian Leadership The reader will discover a successful approach to maintaining a connection with God while leading God's people **Christian Leadership** Roger Smalling, 2022-09-21 Christian ministry is full of stresses but one of the worst is working under incompetent leaders Most books on Christian leadership however seem to be Christianized management techniques straight out of corporate America or compendiums of eloquent exhortations on character and commitment In this book by Dr Smalling a balance is struck between both extremes **The Church Doctor** John Newell, 2015-03-17 Recognize a do nothing church in *The Church Doctor* Congregations have the power to cure the church and world of evils that hinder the enhancement of God's kingdom *The Church Doctor* will awaken congregations to accept the responsibility Christ placed in the hands of the church Learn the fundamental concepts The mission of the church as it was placed by Christ The totality of those who believe the rules of God as proclaimed by Christ The appropriate behavior of God's people was determined from the ten commandments By the voice of God the ten rules were spoken By the hands of God the ten rules were written in stone By the

son of God the ten rules were approved and personified Learn to recognize a do nothing church by examining the methods of the congregation and the relationship between the churchgoers and the leaders of the church Compare the ideal attributes that are set by God with the actual operation of the Church Certain moral attributes represent the presence of the Holy Ghost in people These moral attributes give congregations a godly approach to selecting and rejecting leadership Members of congregations are encouraged to get involved in enhancing Gods kingdom on earth as it is in heaven Do not be dismayed the Lord your God will be with you Isaiah 41 10

Redefining Leadership Joseph M. Stowell,2014-04-22 Is successful leadership measured simply by the outcomes a leader achieves or is there another more essential yardstick for measuring success In *Redefining Leadership* author pastor and college president Joe Stowell shows us that the best leaders are driven by Christ formed character and that truly successful leadership is not defined by the standards of this world but by the counter intuitive practices and perspectives of the Kingdom of Christ With compelling personal stories and insights from the Bible he highlights the contrast between these two radically different leadership styles and demonstrates that the teaching and example of King Jesus the world s most unlikely leader is the only model of leadership that leads to maximum results results that will have an eternal impact

The Congregationalist and Christian World ,1904 **Empowered Leaders** Hans Finzel,2002-09-28 Is leadership really about the rewards excitement and exhilaration Or the responsibilities frustrations and exhausting nights Hans Finzel takes readers on a journey into the lives of the Bible s great leaders such as Moses Abraham Jesus unearthing powerful principles for effective leadership in any situation This powerful guide to developing the skills needed to become a successful leader poses some penetrating questions that force us to take an honest look at ourselves and our intentions in being a leader

Sermons and Addresses, Question Drawer and Other Proceedings of the Christian Convention Held in Chicago, September 18th to 20th, 1883 ,1884 The Christian Advocate ,1927 **Secrets of Christian Leadership Success** Lawrence Ativie Osifo,2017-06-12 The Foundational Knowledge It is the perfect and divine plan of the God of all creations that all His creations prosper and have good successes BUT the instrument for measuring Christian Leadership Success is Spirit o meter Any attempt to apply Flesh o meter will only end the leader up in disgrace In other words Christian Leadership success is not judged with the same standard as the worldly leadership success The principles are different the destinations and the rewards also differ The methods and styles of leadership in the world of unbelievers are not the same as methods and styles of leadership in the Christendom The worldly methods and styles may give you immediate and great results BUT such schemes do not stand the test of times The worldly success does not enter into eternity in the Heaven where Christ dwells The main agenda for this book is committed to helping Christian leaders to successfully enter into their heavenly home and not after leading others to enter they themselves are cast out being told at the gate I never knew you depart from me you who worked iniquity That will be an eternal disgrace In Luke 10 20 Jesus was quick to caution His disciples do not only rejoice that the spirits are subject unto you but rather

rejoice that your names are written in heaven But it seems that many Christians today have kind of lost the consciousness and the desire for their names to be written in heaven This is exactly where many Christian leaders are failing in this era Many Christian leaders are ignorantly applying the methods of the world for acquiring successes in the Church The application of the worldly standard to acquire success as a Christian places the believer as the enemy of the Holy God The Holy bible book of James 4 4 clearly says this You adulterers and adulteresses do you not know that the friendship of the world is enmity with God Whosoever therefore will be a friend of the world is the enemy of God The causes of Christian Leaders successes and the reasons for their failures will continually be pointed out and as well addressed as matters arising in every chapter of this book The cures for the failures which are actually the secrets are in the fate of individual believers as the scripture says in 2Timothy 2 19 that the foundation of God stands sure having this seal the Lord knows them that are His And let everyone that calls on the name of Christ depart from iniquity The successes made by some Christian leaders are largely determined by the foundational knowledge divinely acquired and imbibed by such leaders Anyone who began in truth with a sincere mind in the Spirit of the Holy God and continue in the word of the Righteous God will definitely succeed at last The world most acclaimed successful leader of the Christians is Jesus the Christ He is the one every true Christian leader desires to be like In Him and from Him are the secrets needed by any leader to truly succeed He knew so much about the future events and He said in warnings to His disciples in the bible book of Matthew chapter twenty four verse five that many will come in My name saying I am the Christ and they will be leading many astray In the bible records of Luke chapter twenty one verse eight He said Take heed that you are not led astray for many will come in my name saying I am he and The time is at hand Do not go after them In Luke chapter twelve verse fifteen the Lord Jesus Christ said Take heed and beware of covetousness for a man s life is not in the abundance of the belongings which he possesses The phrase Beware of covetousness stands clearly out as number one profound statement and secret for successes which any thoughtful leader must jealously treasure on the way up and to balance up
