Come Back:

The Comeback Cheryl Casone, 2016-05-03 Myth My kids will suffer if I work full time Reality Your kids will be fine In fact the example you set by going back to work may leave them better off Myth No company will want me since I don't have the skills I used to have Reality Don't sell yourself short You have unique skills and experiences that every company needs What you don't have you can learn Myth Getting back to work is impossible Reality Millions of women have made the comeback You can too Karyn never intended to work full time again after leaving to raise her two children But seven years later when a divorce seemed imminent she went job hunting only to find that getting back was as daunting as climbing Mt Everest With no resume no current contacts and no transferable skills for the jobs she was applying to Karyn didn't even know where to start Countless women face situations like this every day with little or no guidance They're told to lean in and lobby for more sympathetic workplaces but none of that solves the immediate practical problem I need a job Now Fortunately career expert and Fox Business anchor Cheryl Casone has written a comprehensive guide to making the comeback After interviewing hundreds of women who are willing to share both their successes and their mistakes Casone offers a one-stop shop for moms at every stage of the process This is the perfect book if you're pregnant and wondering how to take an extended maternity leave without losing your contacts and momentum Trying to stay connected and relevant in your field while you're away Planning the timing of your comeback Thinking about what to say in interviews about the gaps in your resume Looking for creative alternatives if your former career just isn't possible anymore Struggling with prejudice against working moms The many real-life stories in this book including Karyn's prove that with a smart strategy and some determination almost any mom can make a successful comeback In the process she can improve her standard of living her self-esteem and probably also the well-being of her kids As Casone writes No matter who you are no matter why change comes into your life I hope this book will help you to do what my mom did to stare that change in the face and say with confidence Bring it

Johnson, 2008-09 If we are not living abundant lives how do we reclaim our lives in Christ Jesus said in John 10:10 The thief comes only to steal kill and destroy I am come that they might have life and that they might have it more abundantly Yet so many Christians fail to live an abundant life in fact too often they are just getting by just struggling to

survive But God has so much more for us Many of us have sat passively and watched as the enemy of our souls has come like a thief stealing away our joy killing our bodies and destroying our families We have lost the abundance in our lives that Christ died to give us We allowed it to be taken from us while we watched apathetically as though we were only spectators of our own lives not followers of a risen active triumphant Christ The time for sitting still and bemoaning our lot in life is over God has empowered us to reclaim what we ve lost We can get our lives back Get our health back Get our minds back Get our families back Get our joy back We do not have to wallow in defeat We can make a comeback JEFFREY A JOHNSON SR is senior pastor of Eastern Star Church in Indianapolis Indiana a position he has held for over twenty years This is a church Where Jesus is Exalted and the Word is Explained More important to him than the size of his church the titles he holds or the places he s been he wants people to know that he loves Jesus He and his wife Sharon Henry Johnson are the parents of four sons This is his second book following *The Song of Solomon Love Sex and Relationships* *Automotive Merchandising* ,1929
