**Anne Sexton**

## 45 Mercy Street:

**45 Mercy Street** Anne Sexton, Linda Gray Sexton, 1977-01-01      Mercy Street Anne Sexton, 2013-05-13 MERCY STREET is Pulitzer Prize winning poet Anne Sexton's only play and incorporates many of the themes that infuse her poetry: the deeply personal, the nature of madness, and the subjectivity of truth. Anne Sexton, a fine poet with an astounding knack for incorporating the ugly and immediate vocabulary of the pressing workaday world into lyrics that nevertheless remain lyrics, is the author of MERCY STREET. The play is constructed quite literally to resemble the Offertory in Anglican or Roman Catholic mass. Miss Sexton's initial use of ritual is striking. The exploration in rotating flashbacks produces some riveting line images. Walter Kerr, *The New York Times*. This is Miss Sexton's first play. She is a Pulitzer Prize winning poet, and the tone of her poems has always been laceratingly personal. In some, she seemed like a latter-day neurotic Emily Dickinson. The poems have a voice of their own and a way with imagery. MERCY STREET is the story of a woman searching her way home from the valley of madness. Miss Sexton has written a play to be considered rather than dismissed. Clive Barnes, *The New York Times*. 45

*Mercy Street*. Edited by Linda Gray Sexton. Anne Sexton, 1977      **Shakespeare's Sisters** Sandra M. Gilbert, Susan Gubar, 1979      *The Complete Poems* Anne Sexton, 2016-04-05 The collected works of Anne Sexton showcase the astonishing career of one of the twentieth century's most influential poets. For Anne Sexton, writing served as both a means of expressing the inner turmoil she experienced for most of her life and as a therapeutic force through which she exorcised her demons. Some of the richest poetic descriptions of depression, anxiety, and desperate hope can be found within Sexton's work. *The Complete Poems*, which includes the eight collections published during her life, two posthumously published books, and other poems collected after her death, brings together her remarkable body of work with all of its range of emotion. With her first collection, the haunting *To Bedlam and Part Way Back*, Sexton stunned critics with her frank treatment of subjects like masturbation, incest, and abortion, blazing a trail for representations of the body, particularly the female body, in poetry. She documented four years of mental illness in her moving Pulitzer Prize winning collection *Live or Die* and reimagined classic fairy tales as macabre and sardonic poems in *Transformations*. *The Awful Rowing Toward God*, the last book finished in her lifetime, is an earnest and affecting meditation on the existence of God. As a whole, *The Complete Poems* reveals a brilliant yet tormented poet who bared her deepest urges, fears, and desires in order to create extraordinarily striking and enduring art.

*'Hurrying Truth' in the Poetry of Anne Sexton* Anissa Sboui, 2023-08-16 This book investigates the key terms truth and misinformation in the light of Anne Sexton's *Complete Poems*. The author argues that what characterizes her poems is their heightened level of transparency: poem after poem, she establishes a close relationship with the reader through recording a detailed account of her private stories. In this sense, the aim of this study hinges on demonstrating the inscription of truth in Sexton's poems. *Hospital Service in the United States* Council on Medical Education and Hospitals (American Medical Association), 1921-1928 includes American Medical Association Hospital register      **Journal of the American Medical**
