**Teaching Ethnic Diversity with Film** Carole Gerster, Laura W. Zlogar, 2006-01-16 From the beginning of the 20th century Hollywood filmmakers have shaped public beliefs about and attitudes toward African Americans Asian Americans Native Americans and Latinos Challenging and updating the historical record ethnic minority filmmakers have been re presenting their histories cultures and literature from the perspectives of their own experience The resulting films offer teachers an effective means for teaching ethnic diversity in today s media saturated culture This work details rationales and methods for incorporating readily available films into the high school and college undergraduate curriculum particularly in history social studies literature and film studies courses It includes definitions of race and ethnicity and essays on the film history of African American Asian American American Indian and Latino representation Subsequent chapters organized by disciplines describe specific ways to teach visual and multicultural literacy with films including suggestions for topics methods and films and ending with four discipline specific curriculum units for high school students Film terminology and a list of resources to help teachers create their own curriculum units complete the work **Term Paper Resource Guide to American Indian History** Patrick LeBeau, 2009-03-20 Major help for American Indian History term papers has arrived to enrich and stimulate students in challenging and enjoyable ways Students from high school age to undergraduate will be able to get a jump start on assignments with the hundreds of term paper projects and research information offered here in an easy to use format Users can quickly choose from the 100 important events spanning from the first Indian contact with European explorers in 1535 to the Native American Languages Act of 1990 Coverage includes Indian wars and treaties acts and Supreme Court decisions to founding of Indian newspapers and activist groups and key cultural events Each event entry begins with a brief summary to pique interest and then offers original and thought provoking term paper ideas in both standard and alternative formats that often incorporate the latest in electronic media such as iPod and iMovie The best in primary and secondary sources for further research are then annotated followed by vetted stable Web site suggestions and multimedia resources usually films for further viewing and listening Librarians and faculty will want to use this as well With this book the research experience is transformed and elevated Term Paper Resource Guide to American Indian History is a superb source to motivate and educate students who have a wide range of interests and talents The provided topics typify and chronicle the long turbulent history of United States and Indian interactions and the Indian experience **James Bay Cree Students and Higher Education** Christopher Darius Stonebanks, 2008-01-01 This book examines the continuing challenges of lingering colonial cultural imperialism on the James Bay Cree through an examination of the relationship between Cree students and the current mainstream higher education system Culture shock and identity formation are central themes as the book investigates the uneven relationship between Indigenous and non Indigenous authority in North America dispelling notions of living in a post colonial context Well suited to a number of interests such as Multiculturalism Native

Indigenous studies Sociology Curriculum Studies Cultural Comparative Education Qualitative Research and more readers will gain an understanding or simply benefit from a confirmation and validation of the complexities regarding Native education

**American Indian Library Services in Perspective** Elizabeth Rockefeller-MacArthur, Ruth Rockefeller, Philip MacArthur, 1998 While library literature has made at least a passing effort to cover services to American Indians most of the writings have been from a white perspective Very little attention has been paid to how Native Americans have traditionally gathered and passed along knowledge primarily through visual and oral means This work examines how libraries traditionally provided service to Native Americans and how such service could be improved through an understanding of Indian traditions Chapters present an overview of library services before World War II the various methods Native Americans have used to preserve their heritage and the importance of the preservation and maintenance of artifacts The current state of library services is then explored followed by a chapter on how new technologies are being used to expand and improve services A final chapter offers guidelines for collection management and reveals many of the images and stereotypes to be found in much of the literature for and about American Indians

***Power/knowledge/pedagogy*** Dennis Carlson, 2018-03-05 The essays in this volume explore the educational implications of unsettling shifts in contemporary culture associated with postmodernism These shifts include the fragmentation of established power blocs the emergence of a politics of identity growing inequalities between the haves and the have nots in a new global economy and the rise in influence of popular culture in defining who we are In the academy postmodernism has been associated with the emergence of new theoretical perspectives that are unsettling the way we think about education These shifts the authors suggest are deeply contradictory and may lead in divergent political directions some of them quite dangerous

**Power Knowledge Pedagogy** examines these issues with regard to four broad domains of educational inquiry state educational policy and curriculum reform student identity formation the curriculum as a text and critical pedagogy The book contributes to the dialogue on the forging of a new commonsense discourse on democratic educational renewal attuned to the changing times in which we live
