50 Faces of Israel ,1998 **50 Faces of Israel. Photographs by David Katz** David Katz,1998 **The Works of Herman Melville: Israel Potter; his fifty years of exile** Herman Melville,1923 Israel-Asia Relations in the Twenty-First Century Yoram Evron, Rotem Kowner,2023-09-25 This book examines Israel's growing interaction with Asia's sub regions and countries since the 1990s. It shows how these interactions have increased in recent years both at government level and for companies, entrepreneurs, academic institutions, religious groups, tourists, and NGOs. Likewise, it discusses the evolving shared interests between Israel and Asian states and demonstrates how Asian countries adopted sophisticated policies that allowed them to get closer to Israel without compromising their traditional support of the pro-Palestinian position. It also explores how Israel differentiates between different regions, circles of importance, and countries in Asia rather than sees Asia as a monolithic whole. This groundbreaking book concludes by assessing the overall state of relations at present and likely future developments. Israel at 50 John Hohenberg,1998-05 This text traces Israel's path to national stability and its relationships with the United States, the United Nations, and the Arab world. It discusses the crisis over the Suez canal, the Camp David talks, the war in Old Jerusalem, and its various leaders. *Kings, ed. by prof.
