52 Great Romantic Films:

Fiction Feature Filmmaking Kamran Qureshi, 2026-01-17 This book examines fiction feature filmmaking as a mode of creative practice research offering an innovative framework Fictsearch for investigating the challenges of creating intersex themed films in the United Kingdom Through the author s embodied experience in film conception screenwriting direction production distribution festivals and exhibition it reveals the current standing of intersex subjects in commercial filmmaking and why British cinema has yet to embrace these narratives Key concepts include the impact of filmmakers lack of awareness and the conflation of intersex with LGBT themes on funding opportunities The book critically reflects on societal taboos and the hesitancy of financiers to invest in intersex narratives often relegating such films to indie productions It highlights the underrepresentation and misrepresentation of intersex individuals in English language feature films from the United States United Kingdom Australia and Canada This book is essential for scholars filmmakers and students interested in feature filmmaking film sales and distribution film studies gender studies and representation in media It demonstrates how fiction filmmaking can serve as a rigorous method for generating new knowledge particularly when addressing socially sensitive topics and raises vital questions about creating more visible and nuanced portrayals of marginalized identities in mainstream cinema

German Ways of War Jaimey Fisher, 2022-08-12 German Ways of War explores the production of novel spaces and evocation of new affects in the war film genre between the 1910s and 2000s Beyond the conventional pairing of visuality and violence war films combine mobility landscape territory scales and topological networks into affective geographies that interweave narratively generated affect space and political processes

The End of Meaning William A. Sikes, 2024-04-04 Towards the end of the twentieth century books proclaiming the closing of America s mind the collapse of her communities and the end of her art literature education and more began appearing with regularity The underlying theme in all such works is the loss of those experiences that give our lives meaning In *The End of Meaning Cultural Change in America Since 1945* readers learn to recognize these experiences realize how prominent they were in the postwar period c 1945 65 understand the forces that have brought about their extraordinary decline in our families and communities universities and religious institutions films and popular music fine arts labor and more and realize the implications of this loss for our society and our humanity In doing so the book provides a way of thinking about a vital subject one which despite its enormous importance has never been examined in a broad and systematic way capable of generating real understanding discussion and debate

The New Biographical

Dictionary of Film David Thomson,2010 Thomson independent scholar writing of The Biographical Dictionary of Film aka A Biographical Dictionary of the Cinema 1975 edition described it as a personal opinionated and obsessive biographical dictionary of the cinema Thirty five years and several editions later that description still holds true of this expanded work The new dictionary summarizes salient facts about its subjects lives and discusses their film credits in terms of the quality of the filmmakers work In ambition it has competitors including Leslie Halliwell s various editions of Halliwell s Filmgoers Companion 12th ed 1997 and Halliwell s Who s Who in the Movies edited by John Walker 4th ed rev and updated 2006 which cover films and technical terms categories not included in Thomson s but whose entries are neutral and exceedingly brief Additionally Francophile Richard Roud s edited Cinema A Critical Dictionary The Major Filmmakers 2 v 1980 is as passionate a work as Thomson s but narrower in scope with entries written by various experts rather than only by Roud Finally the multivolume magnum opus The International Dictionary of Films and Filmmakers 4th ed 2000 ed by T Pendergast and S Pendergast 2nd ed ed by N Thomas v 1 CH May 91 1st ed ed by C Lyon v 1 2 CH Jan 85 v 3 CH Apr 87 v 4 5 CH Jun 88 covers everything films directors actors writers and production artists with generous measured scholarly entries and lavish illustrations However it looms large and heavy unlike the handy one volume work by Thomson Arguably Thomson s work for its scope is the most fun the most convenient and the most engaging title All libraries supporting people interested in film should buy it It will get lots of use and provide very good value for the money Summing Up Highly recommended Lower level undergraduates and above general readers General Readers Lower division Undergraduates Upper division Undergraduates Graduate Students Researchers Faculty Professionals Practitioners Reviewed by C Hendershott
