735 Baffling Bible Questions Answered Larry Richards,1970 **Baffling Bible Questions Answered** Larry Richards,2000 Answers to 735 of the most commonly asked questions about the Old and New Testament arranged in book by book order from Genesis to Revelation covering a wide variety of subjects from Where did Cain and the other sons of Adam find wives to What is Armageddon **Comparing and Evaluating the Scriptures** Paul F. Fink,2008-02 No one is likely to dispute that religions profoundly affect our lives in innumerable ways Disagreements emerge however when we attempt to evaluate those effects and when we attempt to determine religion s proper place in our lives in our society and in our troubled world As we all know responsible judgments in regard to these complicated matters though fundamentally important are difficult to formulate and defend In fact even purely personal decisions about religion are not always easy So during normal times many of us choose to live our lives without ever seriously considering some of religion s more complex issues This limited outlook however is beginning to seem less appropriate given today s world some aspects of religion s role in current events truly are disturbing How should we respond to this situation Wouldn t it be worthwhile for everyone to think through our religious traditions one more time from the beginning Isn t it possible to resolve **Why I Believed** Kenneth W. Moore,2023-11-21 The Bible encourages believers to love God with all their hearts Interestingly enough there is no command to like God Is the admonition to like God conspicuously absent due to its inherent difficulty If we are honest we can safely affirm that there are unlikable realities about our world that critics allege reflect poorly on the perceived nature of God However there is a lack of awareness regarding alternative ways to understand such realities Divine Frustrations is an attempt to bridge that gap by providing a balanced engaging approach to revisiting the unpleasant aspects of God s dealings with humanity Drawing on decades of interactions with students atheists critics inmates and church members as well as people from all walks of life Moore offers reflections on both sides of the most common complaints leveled against God Whether you are a believer or a skeptic your approach to various topics will be challenged If you are open to considering alternatives to what you believe as well as new insights into your own views read on Alpha And Omega Isaac Jalal,2022-02-22 The book Alpha and Omega covers pre existent names of the Messiah
