Because when we get to heaven you ll greet us with a smile With all the love that a family could give You ll always be with us because in us you ll always live Go ahead and sleep Daddy but only for a while Because when we get to heaven I know you ll greet us with a smile In loving memory of John Edwin Longuemire Sr May 31 1926 June 19 2007 Partridge's humorous reciter, compiled by the ed. of 'Partridge's popular reciter'. Nock,1998 There are two marriages in every marital union his and hers Men and women live in worlds that are organized around gender and their marriages reflect differing realities As life companions they respond to each other but they also respond to the cultural definitions of what it means to be a husband and a wife What has fascinated social and behavioral scientists for several years however is not only that husbands and wives experiences are different but also that his marriage is better than hers Numerous findings have reported that married men are better off than married women on measures of both physical and mental health but the reasons are not yet fully understood In *Marriage in Men s Lives* Dr Nock proposes an explanation to this issue He focuses on marriage as a system of rules customs and expectations The book shows that marriage changes men on basic dimensions of achievement participation in public social life and philanthropy because marriage reinforces such behaviors as part of adult masculinity Men in modern society crave well being comfort luxury and prestige and marriage affords a means of achieving these things within circumscribed legitimate boundaries Using a huge data base of over 6 000 interviews with men the author has studied since 1979 Nock draws some interesting and far reaching conclusions about the nature of marriage and predicts that marriage is definitely here to stay *The Parliamentary Debates (official Report)*.
